**INVITATION FOR BID**  
**(IFB)**

**DETAIL NOTICE INVITING TENDER**

**e-Tender** is invited for purchase of below mentioned items in single stage two cover system i.e. Request for Pre-Qualification/Technical Bid (online Bid under PQQ/ Technical Envelope) and Request for Financial Bid (comprising of price bid Proposal under online available Commercial Envelope):-

Sr. No.	Description of work / Items	EMD to be deposited by Bidder (Rs.)	Tender Document Fee & eService Fee (Rs.)	Start Date & Time of Bid Preparation & Submission	Expiry Date & Time of EMD Submission	Expiry Date & Time of Bid Preparation & Submission
1.	Conversion of existing lecture hall into Technology Information Unit in the premises of office building (1st floor) at KVK, Damla (Yamunanagar) (i/c PH & EI works) (Approx. value of work Rs.5.60 lakh)	For Contractors 11200/- For L/C Society 5600/-	Rs.1000/- + Rs. 1000/-	15.08.2017 (09:00 hrs.) to 13.12.2017 (upto 17:00 hrs)	11.12.2017 (upto 17:00 hrs.)	13.12.2017 (upto 17:00 hrs.)

Under this process, the Pre-qualification/ Technical online bid Application as well as online Price Bid shall be invited at single stage under two covers i.e. PQQ/Technical & Commercial Envelope. Eligibility and qualification of the Applicant will be first examined based on the details submitted online under first cover (PQQ or Technical) with respect to eligibility and qualification criteria prescribed in this Tender document. The Price Bid under the second cover shall be opened for only those Applicants whose PQQ/ Technical Applications are responsive to eligibility and qualifications requirements as per Tender document.

- The payment for Tender Document Fee and e-Service Fee shall be made by eligible bidders online directly through Debit Cards & Internet Banking Accounts and the payment for EMD can be made online directly through RTGS/NEFT or OTC Please refer to ‘Online Payment Guideline’ available at the Single e-Procurement portal of GoH (Govt. of Haryana) and also mentioned under the Tender Document.**
- Intending bidders will be mandatorily required to online sign-up (create user account) on the website <https://haryanaeprocurement.gov.in> to be eligible to participate in the e-Tender. **He/She will be required to make online payment towards EMD fee as mentioned above in due course of time. The intended bidder fails to pay EMD fee under the stipulated time frame shall not be allow to submit his / her bids for the respective event / Tenders.**
- The interested bidders must remit the funds at least T+1 working day (Transaction day + One working Day) in advance i.e. **on or before (11.12.2017 upto 17:00 hrs.); and make payment via RTGS /NEFT or OTC to the beneficiary account number specified under the online generated challan. The intended bidder / Agency thereafter will be able to successfully verify their payment online, and submit their bids on or before the expiry date & time of the respective events/Tenders at <https://haryanaeprocurement.gov.in>.**

The interested bidders shall have to pay mandatorily e-Service fee (under document fee – Non refundable) of Rs.1000/- (Rupee One Thousand Only) online by using the service of secure electronic gateway. The secure electronic payments gateway is an online interface between bidders & online payment authorization networks.

The Payment for document fee/ e-Service fee can be made by eligible bidders online directly through Debit Cards & Internet Banking.

The Bidders can submit their tender documents (Online) as per the dates mentioned in the key dates:-

#### **Key Dates**

<b>Sr. No.</b>	<b>Department Stage</b>	<b>Bidder's Stage</b>	<b>Start date and time</b>	<b>Expiry date and time</b>
1		<b>Tender Document Download and Bid Preparation/Submission</b>	Date 15.08.2017 09:00 hrs	Date 13.12.2017 17:00 hrs
2	<b>Technical Bid Opening</b>		Date: 14.12.2017 10:00 hrs	
3	<b>Financial Bid Opening</b>		Date: 15.12.2017 10:00 hrs	

#### **Important Note:**

- 1) The Applicants/bidders have to complete 'Application / Bid Preparation & Submission' stage on scheduled time as mentioned above. If any Applicant / bidder failed to complete his / her aforesaid stage in the stipulated online time schedule for this stage, his / her Application/bid status will be considered as 'Applications / bids not submitted'.
- 2) Applicant/Bidder must confirm & check his/her Application/bid status after completion of his/her all activities for e-bidding.
- 3) Applicant/Bidder can rework on his/her bids even after completion of 'Application/Bid Preparation & submission stage' (Application/Bidder Stage), subject to the condition that the rework must take place during the stipulated time frame of the Applicant/Bidder Stage.
- 4) In the first instance, the online payment details of tender document fee, e-Service and EMD & PQQ/Technical Envelope shall be opened. Henceforth financial bid quoted against each of the item by the shortlisted bidder/ Agency wherever required shall be opened online in the presence of such bidders/ Agency who either themselves or through their representatives choose to be present. The bidder can submit online their bids as per the dates mentioned in the schedule/Key Dates above.

The bids shall be submitted online in two separate envelopes:

#### **Envelope 1: Technical Bid**

The bidders shall upload the required eligibility & technical documents online in the Technical Bid.

#### **Envelope 2: Commercial Bid**

The bidders shall quote the prices in price bid format under Commercial Bid.

#### **CONDITONS:-**

- 1) APPROVED DNIT & Prequalification documents can be seen on any working day during office hours in office of the undersigned. Though proper care has been taken to upload approved DNIT. However, there may be some discrepancy. In case of discrepancy between approved DNIT and uploaded DNIT. The approved DNIT will be applicable. The approved DNIT will be made part of agreement.
- 2) Conditional tenders will not be entertained & are liable to be rejected.
- 3) In case the day of opening of tenders happens to be holiday, the tenders will be opened on the next working day. The time and place of receipt of tenders and other conditions will remain unchanged.
- 4) The undersigned reserve the right to reject any tender or all the tenders without assigning any reason.

- 5) The societies shall produce an attested copy of the resolution of the Co-Operative department.
- 6) The tenders without earnest money / bid security will not be opened.
- 7) The jurisdiction of court will be at Hisar.
- 8) The tender of the bidder who does not satisfy the qualification criteria in the bid documents are liable to be rejected summarily without assigning any reason and no claim whatsoever on this account will be considered.
- 9) The bid for the work shall remain open for acceptance during the bid validity period to be reckoned from the last date of 'online submission of (Technical) documents & BS'. If any bidder/ tenderer withdraws his bid/ tender before the said period **or** makes any modifications in the terms and conditions of the bid, the said earnest money shall stand forfeited. Bids would required to be valid for 120 days from the date of bid closing i.e. from last date of online submission of (Technical) documents & BS. In case the last day to accept the tender happens to be holiday, validity to accept tender will be the next working day

### **Instructions to bidder on Electronic Tendering System**

**These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.**

**1. Registration of bidders on e-Procurement Portal:-**

All the bidders intending to participate in the tenders process online are required to get registered on the centralized e - Procurement Portal i.e. <https://haryanaeprocurement.gov.in> Please visit the website for more details.

**2. Obtaining a Digital Certificate:**

**2.1** The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital Certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.

**2.2** A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Post Master / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://haryanaeprocurement.gov.in>

**2.3** The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from.

**2.4** The bidder must ensure that he/she comply by the online available important guidelines at the portal <https://haryanaeprocurement.gov.in> for Digital Signature Certificate (DSC) including the e-Token carrying DSCs.

**2.5** Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during the stage of bid preparation. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep a backup of the certificate** and also keep the copies at safe place under proper security (for its use in case of emergencies).

**2.6** In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate /power of attorney / lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

**2.7** In case of any change in the authorization, it shall be the responsibility of management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

**2.8** The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

**3. Pre-requisites for online bidding:**

In order to operate on the electronic tender management system, a user's machine is required to be set up. A help file on system setup/Pre-requisite can be obtained from Nextenders (India) Pvt. Ltd. or downloaded from the home page of the website - <https://haryanaeprocurement.gov.in> The link for downloading required java applet & DC setup are also available on the Home page of the e-tendering Portal.

4 **Online Viewing of Detailed Notice Inviting Tenders:**

The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal eProcurement system on the Home Page at <https://haryanaeprocurement.gov.in>

5 **Download of Tender Documents:**

The tender documents can be downloaded free of cost from the eProcurement portal <https://haryanaeprocurement.gov.in>

6 **Key Dates:**

The bidders are strictly advised to follow dates and times as indicated in the online Notice Inviting Tenders. The date and time shall be binding on all bidders. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the online Notice Inviting Tenders.

7 **Online Payment of Tender Document Fee, eService fee , EMD fees & Bid Preparation & Submission (PQQ/ Technical & Commercial/Price Bid):**

i) **Online Payment of Tender Document Fee & e-Service fee:**

The online payment for Tender document fee, eService Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee shall be made by bidders/ Vendors online directly through Internet Banking Accounts and eService Fee through Debit Cards & Internet Banking Accounts. The Payment for EMD shall be made online directly through RTGS / NEFT & OTC. The secure electronic payments gateway is an online interface between contractors and Debit card / online payment authorization networks.

ii) **PREPARATION & SUBMISSION Of online APPLICATIONS/BIDS:**

Detailed Tender documents may be downloaded from e-procurement website (<https://haryanaeprocurement.gov.in>) and tender mandatorily be submitted online.

**Scan copy of Documents to be submitted/uploaded for Prequalification or Technical bid under online PQQ/ Technical Envelope:** The required documents (refer to DNIT) shall be prepared and scanned in different file formats (in PDF /JPEG/MS WORD format such that file size is not exceed more than 10 MB) and uploaded during the on-line submission of PQQ or Technical Envelope.

**FINANCIAL or Price Bid PROPOSAL shall be submitted mandatorily online under Commercial Envelope and original not to be submitted manually)**

8. **ASSISTANCE TO THE BIDDERS:-**

In case of any query regarding process of etenders and for undertaking training purpose, the intended bidder can also avail the following and can contact service provider as per below:

**Guideline for Online Payments in e-tendering**

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing). Bidder shall proceed to select the tender he is interested in. On the respective Department's page in the e-tendering portal, the Bidder would have following options to make payment.

- A. Debit Card
- B. Net Banking
- C. RTGS/NEFT

Operative Procedures for Bidder Payments

**A) Debit Card**

The procedure for paying through Debit Card will be as follows.

- (i) Bidder selects Debit Card option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
- (iii) Bidder clicks on "Continue" button
- (iv) The e-Procurement portal takes the bidder to Debit Card payment gateway screen.
- (v) Bidder enters card credentials and confirms payment
- (vi) The gateway verifies the credentials and confirms with "successful" or "failure" message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal
- (viii) The status of the payment is displayed as "successful" in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same,
- (ix) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

**B) Net Banking**

The procedure for paying through Net Banking will be as follows.

- (i) Bidder selects Net Banking option in e-Procurement portal.

- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on “Continue” button
- (iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks
- (v) Bidder chooses his / her Bank
- (vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with “successful” or “failure” message to the Net Banking gateway which is confirmed back to e-Procurement portal.
- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as “successful” in e-Procurement portal.

The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same. (xi) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

### C) RTGS/ NEFT

The bidder shall have the option to make the EMD payment via RTGS/ NEFT. Using this module, bidder would be able to pay from their existing Bank account through RTGS/NEFT. This would offer a wide reach for more than 90,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

I. Bidder shall log into the client e-procurement portal using user id and password as per existing process and selects the RTGS/NEFT payment option.

ii. Upon doing so, the e-procurement portal shall generate a pre-filled challan. The challan will have all the details that is required by the bidder to make RTGS-NEFT payment.

iii. Each challan shall therefore include the following details that will be pre-populated:

- Beneficiary account no: (unique alphanumeric code for e-tendering)
- Beneficiary IFSC Code:
- Amount:
- Beneficiary bank branch:
- Beneficiary name:

iv. The Bidder shall be required to take a print of this challan and make the RTGS/NEFT on the basis of the details printed on the challan.

v. The bidder would remit the funds at least T + 1 day (Transaction + One day) in advance to the last day and make the payment via RTGS / NEFT to the beneficiary account number as mentioned in the challan.

vi. Post making the payment, the bidder would login to the e-Tendering portal and go to the payment page. On clicking the RTGS / NEFT mode of payment, there would be a link for real time validation. On clicking the same, system would do auto validation of the payment made.

### D) Over-the-Counter (OTC)

This solution shall allow the bidder having account with ICICI Bank, to make the payment from any CMS enabled Branch of ICICI Bank in India. Bidders can make the payment via cash(if amount is  $\leq$  ₹ 49,999), Demand Draft or ICICI Bank Cheque.

The procedure for paying through OTC mode is as follows:

(i) Bidder selects Over-the-Counter remittance option in e-Procurement portal.

(ii) The e-Procurement portal displays the amount to be paid. Bidder chooses the bank account no. for refund of the amount.

(iii) Bidder clicks on “Continue” button

(iv) The e-Procurement portal displays the details of payment. Bidders clicks on “print \_challan” and prints the OTC challan.

(v) Bidder submits the OTC challan at the counter of any designated branch of ICICI Bank with Cash / Demand Draft / ICICI Bank Cheque (Payment in cash is allowed upto Rs. 49,999/-)

(vi) ICICI Bank verifies the URN (format to be discussed and decided) and Amount with e-

Procurement portal prior to accepting the payment

(vii) On successful verification from e-Procurement portal, ICICI Bank accepts the payment. In case of failure, ICICI Bank shall return back the OTC challan and payment to the Bidder.

(viii) ICICI Bank will commit the payment transaction (in case of successful verification from e-Procurement portal) and sends the Bank Transaction Number (I-Sure Reference Number) online against the URN and Amount.

(ix) ICICI Bank will generate receipt for the payment transaction and issues the same to the Bidder.

(x) The e-Procurement system updates the bank transaction number against the URN and Amount based on details sent by ICICI Bank online prior to generation of receipt.

(xi) The status of payment will be displayed as “verification successful” in e-Procurement portal, when the bidder clicks on verification option in the portal

(xii) Bidder would be required to upload the scan copy of receipt as received from ICICI Bank as part of proof in Nextender portal before submitting the tender

Sr no.	Scenario	Do's / Don't's
1	<p style="text-align: center;"><b>In the event of making Payment through NEFT/RTGS</b></p>	<p>Do's</p> <ul style="list-style-type: none"> <li>• It is the bidder's responsibility to ensure that RTGS/NEFT payments are made to the exact details as mentioned in the challan which are:</li> <li>1) Beneficiary account no: &lt;client code&gt; + &lt;random number&gt;</li> <li>2) Beneficiary IFSC Code: As prescribed by ICICI Bank (this shall remain same across all tenders)</li> <li>3) Amount: As mentioned on the challan. It is specific for every tender/transaction</li> <li>4) Beneficiary bank branch: ICICI Bank Ltd, CMS</li> <li>5) Beneficiary name: As per the challan</li> <li>• For every tender, details in the challan are different and specific to that tender only. Bidder should not make use of a challan for making payment for another tenders' EMD</li> <li>• It is advised that all the bidders make payment via RTGS/NEFT at least one day in advance to the last day of tender submission as certain amount of time is required for settlement and various parties are involved. The payment may not be available for the bidder validation. In such cases bidder may not be able to submit the tender</li> <li>• Bidder has to make only single payment against a challan as per the amount mentioned on the challan.</li> <li>• Bidder must do the payment before tender validity gets expired</li> </ul>

		<p><b>Don't's</b></p> <ul style="list-style-type: none"> <li>• Bidder should not enter erroneous details while filling the NEFT/RTGS form at their bank. The following possibilities may arise:             <ol style="list-style-type: none"> <li>1) Incorrect IFSC code mentioned:- Transaction would be rejected and the amount would be refunded back in to the bidders account</li> <li>2) Incorrect Beneficiary account number mentioned(&lt;client code&gt; + &lt;random number&gt;):-                 <ol style="list-style-type: none"> <li>a) In case, the beneficiary account number mentioned is incorrect the transaction would be rejected and the bid would not be accepted.</li> </ol> </li> <li>3) Incorrect Amount mentioned: The amount would be rejected if the amount mentioned in while making the payment is incorrect. Such cases will be captured as unreconciled transactions and will be auto-refunded directly to bidder's account. In the event of any discrepancy, payment would not be considered and bidder would not be allowed to bid/ participate.</li> </ol> </li> <li>• Bidder is not supposed to use challan generated in one tender for payment against another tender since details in the challan are unique to the tender and bidder combination.</li> <li>• Bidder must not make multiple or split payments against a particular challan. Any split payment received against the same challan will be refunded back to the bidder.</li> <li>• Bidder would not be entitled to claim that he is deprived of participating in the tender because his funds are blocked with the division on account of incorrect payment made by the bidder</li> </ul>
--	--	---

2	<p><b>In the event of making Payment through OTC</b></p>	<p><b>Do's</b></p> <ul style="list-style-type: none"> <li>• It is the bidder's responsibility to ensure that OTC payments are made to the exact details as mentioned in the challan which are: Beneficiary account no: &lt;client code&gt; + &lt;random number&gt; Amount: As mentioned on the challan It is specific for every tender/transaction Beneficiary name: As per the challan Bidder has to make only single payment against a challan as per the amount mentioned on the challan</li> <li>• Bidder must do the payment before tender validity gets expired</li> <li>• Bidder needs to mandatorily upload the scan copy of the payment receipt issued by ICICI Bank, in Nextender Portal before submitting the Tender</li> </ul>
---	--	--

		<p><b>Don't's</b></p> <ul style="list-style-type: none"> <li>• If the bidding amount is greater than Rs49,999, then Bidder should not make payment in cash. In this case, Bidder should pay via Demand Draft/ICICI Bank Cheque</li> <li>• It is bidders's responsibility to ensure that Demand draft should be valid and should not have discrepancies such as signature not found, stale DD, mutilated, material alteration, favouring third party etc., In the event of Demand Draft returned by bidder's Bank on account of such discrepancies, ICICI Bank shall ensure that such communication is sent to the Client within 3 days from the date of rejection by the Bidder's Bank</li> <li>• For every tender, details in the challan are different and specific to that tender only. Bidder should not make use of a challan for making payment for another tenders' EMD</li> </ul>

## A. GENERAL

### **1 Scope of Bid**

- 1.1 The Employer (named in Appendix to ITB) invites bids for the construction of works (as defined in these documents and referred to as “the works”) detailed in the table given in ITB. The bidders may submit bids for any or all of the works detailed in the table given in ITB.
- 1.2 The successful bidder will be expected to complete the works by the intended completion date specified in the Contract data.
- 1.3 Throughout these bidding documents, the terms ‘bid’ and ‘tender’ and their derivatives (bidder/tenderer, bid/tender, bidding/tendering, etc.) are synonymous.

### **2. Source of Funds**

- 2.1 The expenditure on this project will be met from the University Funds.

### **3. Eligible Bidders.**

- 3.1 This Invitation for Bids is open to all bidders who fulfill qualification criteria.

### **4. Qualification of the Bidder (Applicable for contract(s) costing more than Rs.50.00 lakhs).**

- 4.1 All bidders shall provide in Section-2, Forms of Bid and Qualification Information a preliminary description of the proposed work method and schedule, including drawing and charts, as necessary. The proposed methodology should include programme of construction backed with equipment planning and deployment duly supported with broad calculations and quality assurance procedures proposed to be adopted justifying their capability of execution and completion of work as per technical specifications, within stipulated period of completion.
- 4.2 Deleted
- 4.3 All bidders shall include the following information and documents with their bids in Section 2:
  - a) copies of original documents defining the constitution or legal status, place of registration, and principal place of business, written power of attorney of the signatory of the Bid to commit the Bidder.
  - b) total monetary value of construction work performed for each of the last seven years.
  - c) Experience in works of similar nature (defined as billing for works in progress and completed in all cases of Buildings, Bridges, ROB’s and RUB’s only) and size for each of the last seven years and details of works underway or contractually committed, and clients who may be contacted for further information on those contracts.
  - d) major items of construction equipment proposed to carry out the Contract.
  - e) qualifications and experience of key site management and technical personnel proposed for Contract:
  - f) reports on the financial standing of Bidder, such as profit and loss statements and auditor’s reports for the past seven years.
  - g) evidence of access to line(s) of credit and availability of other financial resources facilities (25% of contract value), certified by the Bankers (Not more than 3 months old).
  - h) undertaking that the bidder will be able to invest a minimum cash upto 25% of contract value of work, during implementation of work.
  - i) authority to seek references from the Bidder’s bankers;
  - j) information regarding any litigation, current or during the last five years, in which the Bidder is involved, the parties concerned, and disputed amount;
  - k) proposals for subcontracting components of the works amounting to limiting to 20 per cent of the Bid Price (for each, the qualifications and experience of the identified sub-contractor in the relevant field should be annexed); and
  - l) the proposed methodology and programme of construction, backed with equipment planning and deployment, duly supported with broad calculations and quality control procedures proposed to be

adopted, justifying their capability of execution and completion of the work as per technical specifications within the stipulated period of completion as per milestones.

4.4 Bids from Joint ventures are not acceptable.

#### 4.5 Qualification Criteria

4.5A. **To qualify for award of the contract, each bidder in its name should have in the last seven years (as referred to in Appendix to ITB) satisfactorily completed).**

- a)
- i. Three similar works each costing not less than the amount equal to 25% of the estimated cost.
  - ii. Two similar works each costing not less than the amount equal to 33.3% of the estimated cost.
  - iii. One similar work each costing not less than the amount equal to 40% of the estimated cost.

Cost of work shall mean gross value of the completed work including the cost of materials supplied by the Govt. / Client, but excluding those supplied free of cost. This should be certified by an officer not below the rank of Executive Engineer/ Project Manager or equivalent (calculated on the basis of 10% value added compounded per year).

- b) The applicant should have minimum Average Annual financial turnover during the last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be at least 30% of the estimated cost. This should be duly audited by a Chartered Accountant (10% compounded value per year to be added)
- c) The applicant should have not incurred any loss in more than two years during the last five years ending last day of tender duly certified by the Chartered Accountant.
- d) The contractor or his identified sub-contractor should possess required valid license for executing the water supply/sanitary/electrical engineering works and should have executed similar water supply/sanitary/electrical engineering works.
- e) The applicant's performance for each work completed in the last 7 years and in hand should be certified by an officer not below the rank of Executive Engineer/Project manager or equivalent and should be obtained in sealed cover.

**B. Each bidder should further demonstrate:**

- (a) availability (either owned or leased) of the key and critical equipment to attain the completion of works in accordance with the prescribed construction schedule are shown in the **Annexure-I**.

The bidders should, however, undertake their own studies and furnish with their bid, a detailed construction planning and methodology supported with layout and necessary drawings and calculations (detailed) as stated in clause 4.3(1) above to allow the employer to review their proposals. The numbers, types and capacities of each plant/equipment shall be shown in the proposals along with the cycle time for each operation for the given production capacity to match the requirements. If the contractual agency fails to bring any of the quality control lab equipment as mentioned in Annexure-I, the item will be arranged by CCSHAU, Hisar and recovery shall be made from the contractor's bill @ double the cost of that item.

- (b) Availability for this work of personnel with adequate experience as required; as per **Annexure-II**.
- (c) liquid assets and/or availability of credit facilities of not less than amount indicated in Appendix.

C. **To qualify for a package of contracts made up of this and other contracts for which bids are invited in the IFB**, the bidder must demonstrate having experience and resources sufficient to meet the aggregate of the qualifying criteria for the individual contracts.

4.6. Sub-contractors' experience and resources shall not be taken into account in determining the bidder's compliance with the qualifying criteria except to the extent stated in 4.5 (A) above.

**4.7. Bid Capacity**

Bidders who meet the minimum qualifications criteria shall be qualified only if their available bid capacity for construction work is equal to or more than the total bid value. Bid capacity will be determined for works costing Rs.1.00 crores and above. The available bid capacity shall be calculated as under:

$$\text{Assessed Available Bid Capacity} = (A*N*M-B)$$

where

A= Maximum value of similar works executed in any one year during the last seven years (updated to the price level of the last year @10% per annum ) taking into account the works completed and in progress.

N= Number of years prescribed for completion of the works for which bids are invited (period upto six months taken as half-year and more than six months as full year)

M= 3

B= Value of the existing commitments and ongoing works to be completed during the period of completion of the works for which bids are invited (updated to the price level of the last year @10% per annum).

**Note:** The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer-In-Charge not below the rank of an Executive Engineer or equivalent.

4.8 Even though the bidder met the above qualifying criteria, they are subject to be disqualified if they have:

- made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or.
- record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc: and/or.
- participated in the previous bidding for the same work and had quoted unreasonably high bid prices and could not furnish rational justification to the employer.

The bidder who had abandoned the work or his contract was rescinded or was terminated due to non completion of work/or any other default on the part of the contractor in three or more contracts during last five years, shall be considered as non performer and no work will be allotted to him. No specific order for debarment shall be needed for this purpose.

In case the number of contracts where the work has been abandoned by the contractor or his contract was rescinded or terminated in less than 3 works, he is required to submit additional 10% (Ten percent) performance security over and above what has been stipulated in the bidding document.

**5. One Bid per Bidder.**

5.1 Each bidder shall submit only one bid for one package. A bidder who submits or participates in more than one Bid (other than as a subcontractor or in cases of alternatives that have been permitted or requested) will cause all the proposals with the Bidder's participation to be disqualified.

**6. Cost of Bidding.**

6.1 The bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible and liable for those costs.

**7. Site Visit.**

7.1 The Bidder, at the Bidder's own responsibility and risk is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense.

## B. BIDDING DOCUMENTS

### 8. Content of Bidding Documents.

- 8.1 The set of bidding documents comprises the documents listed below and addenda issued in accordance with Clause 10:

Section	Particulars.
	Invitation for Bids
1	Instructions to Bidders
2.	Qualification Information, and other forms.
3	Conditions of Contract
4.	Contract-Data.
5.	Technical Specifications
6.	Form of Bid.
7.	Bill of Quantities.
8.	Securities and others forms
9.	Drawings
10.	Documents to be furnished by the bidder.

- 8.3. The bidder is expected to examine carefully all instructions, conditions of contract, contract data, forms, terms, technical specifications, bill of quantities, forms, Annexes and drawings in the Bid Document. Failure to comply with the requirements of Bid Documents shall be at the bidder's own risk. Pursuant to clause 26 hereof, bids which are not substantially responsive to the requirements of the Bid documents shall be rejected.

### 9. Clarification of Bidding Documents.

- 9.1. A prospective bidder requiring any clarification of the bidding documents may notify the Employer in writing or by cable (hereinafter "cable" includes telex and facsimile) at the Employer's address indicated in the invitation to bid. The Employer will respond to any request for clarification which he received earlier than 15 days prior to the deadline for submission of bids. Copies of the Employer's response will be forwarded to all purchasers of the bidding documents, including a description of the enquiry but without identifying its source.

#### 9.2 Pre-bid meeting

- 9.2.1 In case of works with DNIT amount above Rs.10.00 crores, a pre-bid meeting shall be held at \_\_\_\_\_ on \_\_\_\_\_.
- 9.2.2. The purpose of the meeting will be to clarify issues and to answer questions for clarification of any doubts on any provision of the contract or on any matter that may be raised at that stage.
- 9.2.3. The bidder is requested to submit any questions in writing or by email to reach the Employer not later than one week before the meeting.
- 9.2.4. Minutes of the meeting, including the text of the questions raised (without identifying the source of enquiry) and the responses given will be transmitted without delay to all purchasers of the bidding documents and a copy placed on departmental website. Any modification of the bidding documents listed in Sub-Clause 8.1 which may become necessary as a result of the pre-bid meeting shall be made by the Employer exclusively through the issue of an Addendum pursuant to Clause 10 and not through the minutes of the pre-bid meeting.
- 9.2.5. Non-attendance at the pre-bid meeting will not be a cause for disqualification of a bidder.

### 10. Amendment of Bidding Documents.

- 10.1 Before the deadline for submission of bids, the Employer may modify the bidding documents by issuing addenda.

- 10.2. Any addendum thus issued shall be part of the bidding documents and shall be communicated in writing or by e-mail to all the purchasers of the bidding documents. Prospective bidders shall acknowledge receipt of each addendum in writing or by e-mail to the Employer. The Employer will assume no responsibility for postal delays.
- 10.3. To give prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer may, at his discretion, extend as necessary the deadline for submission of bids, in accordance with Sub-Clause 20.2 below.

### **C. PREPARATION OF BIDS**

#### **11. Language of the Bid**

- 11.1 All documents relating to the bid shall be in the English language.

#### **12. Documents Comprising the Bid.**

- 12.1 The bid to be submitted by the bidder (refer Clause 8.1) shall be in two separate parts: Part-I shall be named "Technical Bid" which will be submitted online.

- (i) For bidding documents downloaded from website (refer IFB), the cost of bidding document will be paid online.
- (ii) Bid Security in the form specified in Section 8.
- (iii) Qualification Information and supporting documents as specified in Section-2.
- (iv) Certificate, undertakings, affidavits as specified in Section 2.
- (v) Information pursuant to Clause 4 of these instructions.
- (vi) Undertaking that the bid shall remain valid for the period specified in Clause 15.1.

Part-II shall be named "Financial Bid" and shall comprise.

- (i) Form of Bid as specified in Section 6.
- (ii) Priced Bill of Quantities for items specified in Section 7.

Both bids will be submitted online in accordance with Clause 19.

- 12.2. Following documents, which are not submitted with the bid, will be deemed to be part of the bid.

<b>Section.</b>	<b>Particulars.</b>
1.	Invitation for Bids (IFB).
2.	Instructions to Bidders.
3.	Conditions of Contract.
4.	Contract Data.
5.	Specifications.
6.	Drawings

#### **13. Bid Prices.**

- 13.1. The contract shall be for the whole works as described in Sub-Clause 1,1, based on the priced Bill of Quantities submitted by the Bidder.
- 13.2. The intending Contractors shall fill in Item rate at its appropriate places in figures. *Items for which no rate or price is entered by the bidder will not be paid for by the Employer and considered as nil rate.*
- 13.3. All taxes, duties, cess, other levies and surcharge as applicable from time to time payable by the contractor under the contract, or for any other cause shall be included in the rates, prices and total Bid Price submitted by the Bidder.
- 13.4. 100% service tax shall be paid by the contractor and service tax as per rules shall be deducted from the payment due to the contractor.

#### **14. Currencies of the Bid and Payment.**

- 14.1. The unit rates and the price shall be considered in Indian Rupees. All payments shall be made in Indian Rupees.

#### **15. Bid Validity.**

- 15.1. Bids shall remain valid for a period not less than 120 days after the deadline date for bid submission. A bid valid for a shorter period shall be rejected by the E.O-cum-Superintending Engineer, CCSHAU, Hisar as non-responsive. In exceptional circumstances, prior to expiry of original time limit, the Employer may request that the bidder may extend the period of validity for a specified additional period.
- 15.2. In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidders may extend the period of validity for a specified additional period. The request and the bidders' responses shall be made in writing or by cable. A bidder may refuse the request without forfeiting his bid security. A bidder agreeing to the request will not be required or permitted to modify his bid except as provided in 15.3 hereinafter, but will be required to extend the validity of his bid security for a period of the extension, and in compliance with Clause 16 in all respects.
- 15.3. In the case of contracts in which the Contract Price is fixed (not subject to price adjustment), in the event that the Employer requests and the Bidder agrees to an extension of the validity period, the contract price, if the Bidder is selected for award shall be the bid price corrected as follows;  
The price shall be increased by the factor of 0.2% for each week or part of a week that has elapsed from the expiration of the initial bid validity to the date of issue of letter of acceptance to the successful Bidder.
- 15.4. Bid evaluation will be based on the bid prices without taking into consideration the above correction.

#### **16. Bid Security.**

- 16.1. The Bidder shall furnish, as part of his Bid, a Bid security in the amount as shown in column 4 of the table of IFB for this particular work. The bid security is to be paid online directly through RTGS / NEFT & OTC in favour of concerned Executive Engineer. The secure electronic payments gateway is an online interface between contractors and Debit card / online payment authorization networks.
- 16.2. Deleted.
- 16.3. Any bid not accompanied by an acceptable Bid Security and not secured as indicated in Sub-Clause 16.1 above shall be rejected by the Employer as non-responsive.
- 16.4. The Bid Security of unsuccessful bidders will be returned within 45 days of the end of the bid validity period specified in Sub-Clause 15.1.
- 16.5. The Bid Security of the successful bidder will be discharged when the bidder has signed the Agreement and furnished the required Performance Security.
- 16.6. The Bid Security may be forfeited.
- (a) if the Bidder does not accept the correction of the Bid Price, pursuant to Clause 27; or.
- (b) in the case of a successful Bidder, if the Bidder fails within the specified time limit to
- (i) sign the Agreement; or.
- (ii) furnish the required Performance Security.

**17. Alternative Proposals by Bidders.**

- 17.1. Bidders shall submit offers that fully comply with the requirements of the bidding documents, including the conditions of contract, basic technical design as indicated in the drawing and specifications. Conditional offer or alternative offers will not be considered further in the process of tender evaluation.

**18. Format and Signing of Bid**

Deleted

**D. SUBMISSION OF BIDS****19. Sealing and Marking of Bids.**

- 19.1. Technical bid: to be opened on 14.12.2017 at 10.00 AM (date & time of technical bid opening as per clause 23.1 of ITB)  
Financial Bid; to be opened on 15.12.2017 at 10.00 AM. The contents of Technical and Financial Bids will be as specified in clause 12.1

19.2. Deleted

- 19.3. In addition to the identification required in Sub-Clauses 19.1, the envelope containing EMD and Performance guarantee shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared late, or the Evaluation Committee declares the bid as non responsive pursuant to Clause 23.

- 19.4. If the envelope is not sealed and marked as above, the Executive Engineer, will assume no responsibility for the misplacement or premature opening of the bid.

**20. Deadline for Submission of the Bids**

20.1 Deleted.

- 20.2. The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 10, in which case all right and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

**21. Late Bids**

- 21.1 Any Bid received by the Employer after the deadline prescribed in Clause 20 will be returned unopened to the bidder.

**22. Modification and Withdrawal of Bids**

Deleted.

**E. BID OPENING AND EVALUATION****23. Bid Opening**

- 23.1. The Executive Engineer, CCSHAU, Hisar will open all the Bids received (except those received late), including modifications made pursuant to Clause 22, in the presence of the Bidders or their representatives who choose to attend at time, date and the place specified in Appendix in the manner specified in Clause 23.3. In the event of the specified date of Bid opening being declared a holiday, the Bids will be opened at the appointed time and location on the next working day.

23.2. Deleted.

- 23.3. The “Technical Bid” shall be opened first.
- 23.4. The amount of earnest money, forms and validity shall be announced. Thereafter, the bidders’ names and such other details as the Employer may consider appropriate, will be announced by the Executive Engineer, CCSHAU, Hisar at the opening.
- 23.5. Evaluation of the technical bids with respect to bid security, qualification information and other information furnished pursuant to clause 12.1 of ITB shall be taken up and completed on the date of bid opening and a list will be drawn up of the responsive bids whose financial bids are eligible for consideration.
- 23.6. The date & time of opening of the Financial Bid will be announced by the Employer.
- 23.7. At the time of opening of “Financial Bid”, the names of the bidders whose bids were found responsive in accordance with Clause 23.4 will be announced. The bids of only those bidders will be opened. The responsive Bidders’ names, the Bid prices, the total amount of each bid, any discounts and such other details as the Employer may consider appropriate, will be announced by the Executive Engineer at the opening. Any Bid price or discount, which is not read out and recorded, will not be taken into account in Bid Evaluation.
- 23.8. The Executive Engineer will prepare the minutes of the bid opening including the information disclosed to those present in accordance with sub clause 23.6.

#### **24. Process to be Confidential**

- 24.1. Information relating to the examination, clarification, evaluation, and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced, Any efforts by a Bidder to influence Executive Engineer during the processing of Bids or award decision may result in the rejection of his Bid.

#### **25. Clarification of Financial Bids**

- 25.1. To assist in the examination, evaluation, and comparison of Bids, the Executive Engineer may, at his discretion, ask any Bidder for clarification of his Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Superintending Engineer in the evaluation of the Bid in accordance with Clause 27.
- 25.2. Subject to sub-clause 25.1, no Bidder shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, it should do so in writing.
- 25.3. Any efforts by the Bidder to influence the Executive Engineer, CCSHAU, Hisar in the Employer’s bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidders’ bid.

#### **26. Examination of Bids and Determination of Responsiveness**

- 26.1. During the detailed evaluation of “Technical Bids”, the Executive Engineer will determine whether each Bid (a) meets the eligibility criteria defined in Clause 3 and 4; (b) has been properly signed; (c) is accompanied by the required securities and; (d) is substantially responsive to the requirements of the Bidding documents. During the detailed evaluation of the “ Financial Bid”, the responsiveness of

the bids will be further determined with respect to the remaining bid conditions, i.e. priced bill of quantities, technical specifications, and drawings.

- 26.2. A substantially responsive “Financial Bid” is one which conforms to all the terms, conditions, and specifications of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which effects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Executive Engineer right or the Bidder’s obligations under the Contract; or (c) whose rectification would effect unfairly the competitive position of other Bidders presenting substantially responsive Bids.
- 26.3. If a “Financial Bid” is not substantially responsive, it will be rejected by the Executive Engineer, CCSHAU, Hisar and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

## **27. Correction of Errors.**

- 27.1. “Financial Bids” determined to be substantially responsive will be checked by the Executive Engineer, CCSHAU, Hisar for any arithmetic errors. Errors will be corrected by the Employer as follows:
- (a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern; and
  - (b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
- 27.2. The amount stated in the “Financial Bid” will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder in the following manner.
- (a) If the Bid price increases as a result of these corrections, the amount as stated in the bid will be the ‘bid price’ and the increase will be treated as rebate;
  - (b) If the bid price decreases as a result of the corrections, the decreased amount will be treated as the ‘bid price’
- Such adjusted bid price shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount the Bid will be rejected, and the Bid security may be forfeited in accordance with Sub-Clause 16.6 (b).

## **28. Deleted**

## **29. Evaluation and Comparison of Financial Bids.**

- 29.1. The Executive Engineer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Sub-Clause 26.2.
- 29.2. In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:
- (a) Making any correction for errors pursuant to Clause 27; or
  - (b) Making an appropriate adjustment for any other acceptable variations. deviations; and
  - (c) deleted.
- 29.3. The Executive Engineer, CCSHAU, Hisar reserves the right to accept or reject any variation or deviation, Variations and deviations and other factors, which are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the Employer shall not be taken into account in Bid evaluation.

- 29.4. The estimated effect of the price adjustment conditions under Clause-47 of the *Conditions of Contract*, during the period of implementation of the Contract, will not be taken into account in Bid evaluation.
- 29.5. If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Executive Engineer may require the Bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analysis, the Employer may require that the amount of the performance security set for the in Clause 34 be increased at the expense of the successful Bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful Bidder under the Contract.
- 29.6. A bid which contains several items in the Bill of Quantities which are unrealistically priced low and which cannot be substantiated satisfactorily by the bidder, may be rejected as non-expensive.

**30. Deleted**

**F. AWARD OF CONTRACT**

**31. Award Criteria**

- 31.1 Subject to Clause 32, the Executive Engineer, CCSHAU, Hisar will award the Contract to the Bidder whose Bid has been determined.
- (i) to be substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price; and
  - (ii) to be within the available bid capacity adjusted to account for his bid price which is evaluated the lowest in any of the packages opened earlier than the one under consideration.
- In no case, the contract shall be awarded to any bidder whose available bid capacity is less than the evaluated bid.

**32. Employer's right to accept any Bid and to reject any or all Bids**

- 32.1. Notwithstanding Clause 31, the Employer reserves the right to accept or reject any Bid, and to cancel the Bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the effected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer action.
- 32.2 Normally, the lowest responsive tender (L1) shall be accepted unless there is some valid objection like, his record of failure in execution of formal works or his rates being abnormally low and nor workable, etc
- 32.3 Tenders shall be accepted in accordance with the delegation of the powers under CCSHAU, Rules.

**33. Notification of Award and Signing of Agreement**

- 33.1. The Bidder whose Bid has been accepted will be notified of the award by the Executive Engineer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the *Conditions of Contract* called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion, and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").
- 33.2. The notification of award will constitute the formation of the Contract, subject only to the furnishing of performance security in accordance with the provisions of Clause 34.
- 33.3. The agreement will incorporate all agreements between the Executive Engineer and the successful Bidder. It will be signed by the Executive Engineer and sent to the successful Bidder, within 28 days following the notification of award along with the Letter of Acceptance. Within 21 days of receipt, the successful Bidder will sign the Agreement and deliver it to the Executive Engineer.
- 33.4. Upon the furnishing by the successful Bidder of the Performance Security, the Executive Engineer will promptly notify the other Bidders that their Bids have been unsuccessful.

33.5 If the lowest tenderer (L-1) backs out, his earnest money shall be forfeited, the agency will be debarred for giving tenders for one year and the second lowest tenderer(L-2), third lowest tenderer (L-3) in order of sequence, may be called upon to bring his offer to the same level as the originally first lowest tenderer. In the event of their refusal to do so, tenders shall be recalled. In case of great urgency, authority competent to accept the tender may authorize call of limited or short notice tenders.

#### **34. Performance Security**

34.1. Within 21 days of receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Executive Engineer a Performance Security in any of the forms given below for an amount equivalent to 5% of the Contract price plus additional security for unbalanced or front loaded tenders in accordance with Clause 29.5 of ITB to be kept as a surety that the contractor completes the work satisfactory. The performance security will be valid upto the end of the defect liability period+45 days or as prescribed in the contract data. In case, the time of completion is enlarged, the validity of the guarantee shall be correspondingly extended. It carries no interest and is refunded to the contractor after the date specified in the contract.

- a bank guarantee in the form given in Section 8; or
- certified Bank Draft as indicated in Appendix.

34.2. If the performance security is provided by the successful Bidder in the form of a Bank Guarantee, it shall be issued either (a) at the Bidder's option, by a Nationalized/Scheduled Indian bank or (b) by a foreign bank located in India and acceptable to the Employer.

34.3. Failure of the successful Bidder to comply with the requirements of Sub-Clause 34.1 shall constitute sufficient grounds for cancellation of the award, forfeiture of the Bid Security and de-barring the agency for giving tenders for one year. If the work of is an urgent nature and cannot brook delay involved in re-tendering, the remaining tenderers shall be offered the lowest approved rates. If more than one tenderer turns up, then preferences shall be given to the tenderer graded according to the rates quoted in the first instance.

34.4 **Subsequent Offer:-** But if the subsequent even from a non-tenderer(received within one week of the previous offer and before the decisions of the contract) is not just marginally but significantly favourable to the Government (to the extent of 5% of the lowest tender amount in case of works costing more than Rs.5.00 crores, 10% in case of works more than Rs.1.00 crore but less than Rs.5.00 crores, 20% for in case of works more than Rs.5.00 lakhs but less than Rs.1.00 crore and 30% in case of works less than Rs.5.00 lakhs or any other limits as decided by Government from time to time) then the subsequent offer can be considered provided the bidder deposits the bid security and unconditional bank guarantee for the difference of the amounts between the offer of the lowest agency and the subsequent fresh offer. In that case, short notice fresh sealed bids shall be invited, with special invitation to the previous participants including the subsequent bidder mentioned above, but with the stipulation that the subsequent bidder shall not bid higher than his previous offer, otherwise his bid security and bank guarantee shall be forfeited. Tender shall be allotted to the lowest valid bid received (Introduced as per PWD (B&R) EIC Memo No.1416-93/Genl. Dated 29.02.2012).

34.5 The letter of acceptance shall be issued to the contractor for an amount of its financial offer as evaluated. If this amount is more than 20% above the administrative approval, the Vice-Chancellor's approval shall be taken. In other cases work can be allotted under intimation to the User Department. In any case, revised administrative approval shall be sought if the excess over the amount of administrative approval is more than 5%. The User Department shall be given sufficient time to arrive at decision, say 30-45 days.

#### **35. Advance Payment and Security**

The Employer will provide an Advance Payment on the contract price as stipulated in the conditions of contract, subject to maximum amount, as stated in the Contract Data.

#### **36. Deleted**

**37. Corrupt or Fraudulent Practices**

- 37.1. The E.O.-cum-Superintending Engineer, CCSHAU, Hisar will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question and will declare the firm ineligible, either indefinitely or for a stated period of time; to be awarded a contract with the University/Govt. of India/State PWD and any other agencies, if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for the contractor, or in execution.
- 37.2. Furthermore, Bidders shall be aware of the provision stated in Sub-Clause 23.3 and Sub-Clause 59.2 of the Conditions of Contract.

**38. Debarring**

If the agency submits Financial Bid through e-tendering but fails to submit either bid security or the Technical bid or both, then the agency will be debarred from further tendering in the CCSHAU, Hisar for minimum one year.

**39. Payment System**

The agency/bidder to whom the work is allotted shall be paid lowest of the following in the running/finals bills:

1. Amount calculated with the accepted rates of the lowest agency.
2. Amount worked out with the rates of L-2/L-3/L-4 and so on
3. Amount worked out with the accepted percentage above/below HSR+CP/analytical rates/NS items rates worked out in financial statement. Financial statement will be made a part of agreement.

**40. Completion of work**

The agency to whom the work is allotted shall complete the entire work as per drawing irrespective of quantities in the DNIT. The agency is bound to consult the drawings before tendering and tender the work accordingly.

**41. Withdrawal of items**

The Employer can withdraw any item of DNIT at any stage. No claim on account of withdrawal will be entertained.

**APPENDIX to ITB****Clause Reference  
With respect to  
Section-I.**

1. Name of the Employer: - E.O.-cum-Superintending Engineer,  
[Cl. 1.1] CCSHAU, Hisar
- Name of the Engineer: - Executive Engineer (C.II)  
CCSHAU, Hisar.
2. Eligible bidders are Bidders registered with Haryana Government, [Cl. 3.1]  
Other State Governments, Government of India and other Central and State  
Government Undertakings and CCSHAU, Hisar who satisfy the Qualification criteria.
3. The last seven years  
2010-2011  
2011-2012  
2012-2013  
2013-2014  
2014-2015  
2015-2016  
2016-2017
4. Escalation factors (for the cost of works executed and [Cl. 4.5]  
financial figure to a common base value for works completed)
- | <u>Year before</u> | <u>Multiplying factor</u> |
|--------------------|---------------------------|
| 2010-2011          | 1.93                      |
| 2011-2012          | 1.76                      |
| 2012-2013          | 1.60                      |
| 2013-2014          | 1.46                      |
| 2014-2015          | 1.33                      |
| 2015-2016          | 1.21                      |
| 2016-2017          | 1.1                       |

5. This annual average financial turn over amount is Rs. lakhs [Cl. 4.5A (b)]  
 (i)Rs. Lakhs (ii) Rs. Lakhs (iii) Rs Lakhs
6. Value of work is **Rs.5.60 lakh**  
 (Rs. \_\_\_\_\_lakhs) [Cl. 4.5A(a)]
7. Deleted.
8. Deleted.
9. Deleted.
10. Liquid assets and or availability of [Cl. 4.5B(c)]  
 credit facilities is 25% of the DNIT amount  
 (Rs. lakhs)
11. Price level of the current financial year 2017-18 [Cl. 4.7]
12. Deleted (for this work) [Cl. 9.2.1]
13. The technical bid will be opened by Executive Engineer  
 in his office at CCSHAU, Hisar.
14. Address of the Employer EO-cum-SE, CCSHAU, Hisar [Cl. 4.5(a)]
15. Identification: [Cl. 19.2(b)]
16. The bid should be submitted latest by **13.12.2017 upto 17:00 hrs.**
17. The technical bid will be opened by Executive Engineer, CCSHAU, Hisar in his office  
 [Cl. 23.1]
18. The Bank Draft / Bank Guarantee from any nationalized bank  
 Nationalized/Scheduled Indian bank or (b) by a foreign bank  
 located in India and acceptable to the Employer. [Cl. 34.1]

**ANNEXURE –I**

(Reference CI.4.5 (B) (a))

**List of Key plant & Equipment to be deployed on the work (contract (s) amounting more than Rs.10.00 crores) except minor Special Repair & Maintenance works.**

<b>Sr. No.</b>	<b>Item of Equipment</b>	<b>Requirement</b>
1	Computerized Concrete Batching Plant	1 No. 15 cum/hour as per requirement.
2	Concrete Weigh Batcher computerized	1 No.(3 bag capacity minimum)
3	Concrete Pump	1 No. 15 cum/hour minimum
4	Concrete Transit Mixer	As required
5	Concrete vibrator (Skin)	2 Nos.
6	Needle vibrator	5 Nos. with minimum 1 no. as petrol running.
7	Plate compactor	1 No.
8	Tipper/Dumper	2 Nos.
9	Compressor	Optional as required
10	Generator with CPRIO approved canopy	1 No.
11	Bar bending Machine	1 No
12	JCB	1 No.
13	Hydraulic lift/ordinary lift	1 No.
14	Tower crane	1 No. for works more than Rs.20 cr.
15	Reverse Osmosis Plant	1 No. for works where water as per IS 456 is not available.

**Quality Control Lab Equipments:-**

<b>Sr. No.</b>	<b>Item of Equipment</b>	<b>Requirement</b>
1	Sieves required for Coarse Aggregate & fine aggregate	1 Set
2	Impact value/ Flakiness testing equipment	1 Set
3	Cube Moulds	18 Nos.
4	Slump Test	2 Nos
5	Compression testing machine (Automatic computerized recording-AIMILor equivalent make)	1 No
6	Electronics Weighing Machine branded	100 Kg capacity (1 No)
7	Water testing equipment	1 No
8	Soil density measuring operators	1 No
9	Any other equipment required at site for quality control by the Engineer-in-charge like Gauze meter, Varnier caliper, Measuring equipment, Dumpy level.	

**List of Key plant & Equipment to be deployed on the work (contract (s) amounting upto Rs.10.00 crores) except minor Special Repair & Maintenance works .**

Sr.	Item of Equipment	Requirement
1	Computerized Concrete Weigh Batcher	1 No. (3 bag capacity minimum) in case this small weigh batcher is not sufficient at site due to heavy foundations or otherwise. Computerized Concrete Batching Plant of bigger capacity will have to installed.
2	Concrete vibrator (Skin)	2 Nos.
3	Needle vibrator	5 Nos. with minimum 1 no. as petrol running
4	Plate compactor	1 No.
5	Tipper/Dumper	Optional as required
6	Compressor	Optional as required
7	Generator with CPRI approved canopy	1 No.
8	Bar bending Machine	1 No for contract(s) (more than Rs.1.00 crore )
9	JCB	Optional as required
10	Hydraulic lift/ordinary lift	1 No.

**Quality Control Lab Equipments:-**

Sr. No.	Item of Equipment	Requirement
1	Sieves required for Coarse Aggregate & fine aggregate	1 Set
2	Impact value testing equipment	1 Set
3	Cube Moulds	6 Nos. (for contract(s) upto Rs.1.00 crore) 12 Nos. (for contract(s) upto Rs.5.00 crore)
4	Slump Test	2 Nos
5	Compression testing machine (Automatic computerized recording-AIMILor equivalent make)	1 No
6	Electronics Weighing Machine branded	50 Kg capacity (1 No)
7	Water testing equipment	1 No (for contract(s) upto Rs.1.00 cr.)
8	Electronic Moisture meter	1 No
9	Any other equipment required at site for quality control by the Engineer-in-charge like Gauze meter, Varnier caliper, Measuring equipment, Dumpy level.	

**Note:-**

1. **No Concrete from outside the campus will be allowed for the work.**
2. The numbers, types and capacities of each plant/equipment shall be shown in the proposals along with the cycle time for each operation for the given production capacity to match the requirements.
3. **In case the contractor fails to arrange any of the key plant/equipment at site, the department will procure at his risk and cost and make deductions from his bills, the cost of the plant/equipment along with 14% departmental charges.**

**ANNEUXRE-II****List of Key Personnel to be deployed on Contract Work.****(Reference CI 4.5 (B) (b))**

<b>Sr.</b>	<b>Agreement Amount.</b>	<b>Key personal required to be Employed by the contractor.</b>	<b>Recovery rate in case non –Employment.</b>
1	Upto Rs. 100.00 lakhs	One Civil Engineer with diploma in Civil Engineering with 5 years experience of building construction.	Rs. 30,000/- per month
2	Above Rs. 100.00 lakhs to Rs.500.00 lakhs.	One Civil Engineer with degree in Civil Engineering with 2 years experience or Diploma in Civil Engineering with 5 years experience in building construction.	Rs. 50,000/- per month
3	Above Rs. 500.00 lakhs	One Civil Engineer with degree in Civil Engineering with 5 years experience in building construction and one Quality Control Engineer with Diploma in Civil Engineering with 2 years experience in quality control.	Rs. 75,000/- per month for Civil Engineer and Rs. 25,000/- per month for Quality Control Engineer.

In case the contractor fails to employ the Key Personnel required to be employed as above at site, the department will employ the personnel and the recoveries will be made as above from his bills alongwith 14% departmental charges. The personnel so employed shall be considered as employees of the contractor and all responsibilities of them shall lie with him only.

## **SECTION-2**

# **QUALIFICATION INFORMATION**

### QUALIFICATION INFORMATION

The information to be filled in by the Bidder in the following pages will be used for purposes of post qualification as provided for in Clause 4 of the Instructions to Bidders. This information will not be incorporated in the Contract.

**1. For Individual Bidders**

**1.1. Constitution or legal status of Bidder**

[Attach copy]

Place of registration: \_\_\_\_\_

Principal place of business: \_\_\_\_\_

Power of attorney of signatory of Bid

[Attach]

**1.2. Total value of Building Construction works performed in the last seven years**

\*\* (in Rs. in lakhs)

1.3.1. Work performed as prime contractor and work performed in the past as a nominated sub-contractor will also be considered provided the sub-contract involved execution of all main items of work described in the bid document, provided further that all other qualification criteria are satisfied (in the same name) on works of a similar nature over the last seven years.\*\*

Project Name	Name of the Employer	Description of work	Contract No.	Value of Contract (Rs. crore)	Date of issue of work order	Stipulated period of completion	Actual date of completion*	Remarks explaining reasons for delay & work Completed

\*Attach certificate(s) from the Engineer(s)-in-Charge

\*\*immediately preceding the financial year in which bids are received.

β Attach certificate from chartered Accountant.

#1.3.2 Quantities of work executed as prime contractor and work performed in the past as a nominated sub-contractor will also be considered provided the sub-contract involved execution of all main items of work described in the bid document, provided further that all other qualification criteria are satisfied (in the same name and style) in the last seven years.\*\*

Year	Name of the work	Name of the Employer *	Quantity of work performed						Remarks* (indicate contract Ref)
			Cement Concrete (including RCC & PCC)	Masonry	Plastering work	Flooring work (terrazzo)	Flooring work (granite, marble, tiles)	Wood Work	
2010-11 2011-12 2012-13 2013-14 2014-15 2015-16 2016-17									

1.4. Information on Bid Capacity (works for which bids have been submitted and works which are yet to be completed) as on the date of this bid.

(A) Existing commitments and on-going works:

Description of works	Place & State	Contract No.	Name & Address of Employer	Value of Contract (Rs. Cr)	Stipulated period of completion	Value of works* remaining to be completed (Rs. Cr)	Anticipated date of completion
1	2	3	4	5	6	7	8

\* Attach certificate(s) from the Engineer(s)-in-Charge

@ The item of work for which data is requested should tally with that specified in ITB clause 4.5A(c).

\*\* immediately preceding the financial year in which bids are received.

(B) Works for which bids already submitted:

Description of works	Place & State	Name & Address of Employer	Estimated value of works (Rs. Cr.)	Stipulated period of completion	Date when decision is expected	Remarks, if any
1	2	3	4	5	6	7

1.5. Availability of key items of Contractor's Equipment essential for carrying out the Works [Ref. Clause 4.5(B)(a)]. The Bidder should list all the information requested below. Refer also to Sub Clause 4.3 (d) of the Instructions to Bidders.

Item of Equipment	Requirement		Availability proposals			Remarks (from whom to be purchased)
	No.	Capacity	Owned/ Leased to be procured	Nos./Capacity	Age/ Condition	

1.6. Qualifications and experience of key personnel required for administration and execution of the Contract [Ref. Clause 4.5(B)(b)]. Attach biographical data. Refer also to Sub Clause 4.3 (e) of instructions to Bidders and Sub Clause 9.1 of the Conditions of Contract.

Position	Name	Qualification	Year of Experience (General)	Years of experience in the proposed position
Project Manager				
Etc.				

1.7. Proposed sub-contracts and firms involved. [Refer ITB Clause 4.3(k)]

Sanctions of the works	Value of Sub-contract	Sub-contractor (Name & Address)	Experience in similar work

Attach copies of certificates on possession of valid license for executing water supply/ sanitary work/ building electrification works [Reference Clause 4.5(d) & Clause 4.5(e)]

\*1.8. Financial reports for the last five years: balance sheets, profit and loss statements, auditors' reports (in case of companies/corporation), etc. List them below and attach copies.

1.9. Evidence of access to financial resources to meet the qualification requirements: cash in hand, lines of credit, etc. List them below and attach copies of support documents.

1.10. Name, address, and telephone, telex, and fax numbers of the Bidders' bankers who may provide references if contacted by the Employer.

1.11. Information on litigation history in which the Bidder is involved.

Other Party(ies)	Employer	Cause of Dispute	Amount involved	Remarks showing Present Status

1.12. Statement of compliance under the requirements of Sub Clause 3.2 of the instructions to Bidders.

1.13. Proposed work method and schedule. The Bidder should attach descriptions, drawings and charts as necessary to comply with the requirements of the Bidding documents. [Refer ITB Clause 4.1 & 4.3(1)]

1.14. Programme

1.15. Quality Assurance Programme

## 2. Deleted

## 3. Additional Requirements

3.1 Bidders should provide any additional information required to fulfill the requirements of Clause 4 of the Instructions to the Bidders, if applicable.

## CONDITIONS OF CONTRACT

### A.GENERAL

#### 1. Definitions

- 1.1 Terms which are defined in the Control Data are not also defined in the Conditions of Contract but keep their defined meanings. Capital initials are used to identify defined terms.

**Bill of Quantities** means the priced and completed Bill of Quantities forming part of the Bid.

**Compensation Events** are those defined in Clause 44 hereunder.

The **Completion Date** is the date of completion of the Works as certified by the Engineer-in-Charge in accordance with Sub Clause 55.1.

The **Contract** is the contract between the Employer and the Contractor to execute, complete and maintain the Works. It consists of the documents listed in Clause 2.3 below.

The **Contract Data** defines the documents and other information which comprise the Contract.

The **Contractor** is a person or corporate body whose Bid to carry out the Works has been accepted by the Employer.

The **Contractor's Bid** is the completed Bidding document submitted by the Contractor to the Employer and includes Technical and Financial bids.

The **Contractor Price** is the price stated in the Letter of Acceptance and thereafter as adjusted in accordance with the provisions of the Contract.

**Days** are calendar days; **months** are calendar months.

A **Defect** is any part of the Works not completed in accordance with the Contract.

The **Defects Liability Period** is the period named in the Contract Data and calculated from the Completion Date.

The **Employer** is the party who will employ the Contractor to carry out the Works.

The **Engineer** is the person named in the Contract Data (or any other competent person appointed and notified to the contractor to act in replacement of the Engineer-in-Charge) who is responsible for supervising the Contractor, administering the Contract, certifying payments due to the Contractor, issuing and valuing Variations to the Contract, awarding extensions of time, and valuing the Compensation Events.

**Equipment** is the Contractor's machinery and vehicles brought temporarily to the Site to construct the Works.

The **Initial Contract Price** is the Contract Price listed in the Employer's Letter of Acceptance.

The **Intended Completion Date** is the date on which it is intended that the Contractor shall complete the Works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the Engineer-in-Charge by issuing an extension of time.

**Materials** are all; supplies, including consumables, used by the contractor for incorporation in the Works.

**Plant** is any integral part of the Works which is to have a mechanical, electrical, electronic or chemical or biological function.

The **Site** is the area defined as such in the Contract Data.

**Site Investigation Reports** are those which were included in the Bidding documents and are factual interpretative reports about the surface and sub-surface conditions at the site.

**Specification** means the Specification of the Works included in the Contract and any modification or addition made or approved by the Engineer-in-Charge.

The **Start Date** is given in the Contract Data. It is the date when the Contractor shall commence execution of the works. It does not necessarily coincide with any of the Site Possession Dates.

A **Subcontractor** is a person or corporate body who has a Contract with the Contractor to carry out a part of the Work in the Contract which includes work on the Site.

**Temporary Works** are works designed, constructed, installed, and removed by the Contractor which are needed for construction or installation of the Works.

A **Variation** is an instruction given by the Engineer-in-Charge, which varies the Works.

The **Works** are what the Contract requires the Contractor to construct, install, and turn over to the Employer, as provided in the bid documents, BOQ and drawings etc. and as directed by the Engineer from time to time defined in the Contract Data.

## 2. Interpretation

- 2.1 In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance, Words have their normal meaning under the language of the Contract unless specifically defined. The Engineer-in-Charge will provide instructions clarifying queries about the Conditions of Contract.
- 2.2 If sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion date for the whole of the Works).
- 2.3 The documents forming the Contract shall be interpreted in the following order or priority:
  - (1) Agreement.
  - (2) Letter of Acceptance, notice to proceed with the works.
  - (3) Contractor's Bid
  - (4) Contract Data.
  - (5) Conditions of Contract including Special Conditions of Contract.
  - (6) Specifications.
  - (7) Drawings
  - (8) Bill of quantities and
  - (9) Instruction to Bidder
  - (10) Any other document listed in the Contract Data as forming part of the Contract.

## 3. Language and Law

- 3.1 The language of the Contract and the law governing the Contract are stated in the Contract Data.

## 4. Engineer's Decisions.

- 4.1. Except where otherwise specifically stated, the Engineer will decide contractual matters between the Employer and the Contractor in the role representing the Employer.

## **5. Delegation**

- 5.1 The Engineer may delegate any of his duties and responsibilities to other people except to the Adjudicator after notifying the Contractor and may cancel any delegation after notifying the Contractor.

## **6. Communications**

- 6.1. Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of India Contract Act.).

## **7. Sub-contracting**

- 7.1. The Contractor may sub-contract any portion of work, upto a limit specified in Contract Data, with the approval of the Engineer-in-Charge but may not assign the Contract without the approval of the Employer in writing. Sub-contracting does not alter the Contractor's obligations.

## **8. Other Contractors**

- 8.1. The Contractor shall cooperate and share the Site with other contractors, public authorities, utilities, and the Employer between the date given in the Schedule of other Contractors. The Contractor shall as referred to in the Contract Data, also provide facilities and services for them as described in the Schedule. The employer may modify the schedule of other contractors and shall notify the contractor of any such modification.

## **9. Personnel**

- 9.1. The Contractor shall employ the key personnel named in the Schedule of Key Personnel as referred to in the Contract Data to carry out the functions stated in the Schedule or other personnel approved by the Engineer-in-Charge. The Engineer-in-Charge will approve any proposed replacement of key personnel only if their qualifications, abilities, and relevant experience are substantially equal to or better than those of the personnel listed in the Schedule. In case of non-employment of key personnel action can be taken as per clause 59 of conditions of contract & deduction will be made from the bills / due payment of the contractor on account of salary per month of key personnel as per Annexure-II of Section-I @ of Rs. 30,000/- P.M for Sr.No.1, Rs. 50,000/- P.M for Sr.No.2 and Rs 1,00,000/- P.M for Sr. No. 3. + 14% departmental charges.
- 9.2. If the Engineer-in-Charge asks the Contractor to remove a person who is a member of the Contractor's staff or his work force stating the reasons the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the work in the Contract.

## **10. Employer's and Contractor's Risks.**

- 10.1. The Employer carries the risks which this Contract states are Employer's risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

## **11. Employer's Risks**

- 11.1 The Employer is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in India, the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees), and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

## **12. Contractor's Risks.**

- 12.1. All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor.

**13. Insurance.** (For contract(s) above Rs.5.00 crores)

- 13.1. The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover (contractor all risks policy) from the Start Date to the end of the Defects Liability Period, in the amounts and deductibles states in the Contract Data for the following events which are due to the Contractor's risks:
- (a) loss or damage to the Works, Plant and Materials;
  - (b) loss of or damage to Equipment.
  - (c) Loss of or damage of property (except the Works, Plant, Materials and Equipment) in connection with the Contract; and
  - (d) Personal injury or death.
- 13.2. Policies and certificates for insurance shall be delivered by the Contractor to the Engineer-in-Charge before the Start Date. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.
- 13.3 If the Contractor does not provide any of the policies and certificates required, the Employer may effect the insurance which the Contractor should have provided and recover the premiums the Employer has paid from payments otherwise due to the Contractor or, if no payment is due, the payment of the premiums shall be a debt due. 14% Departmental charges over payment of premiums will also be recovered from the contractors.
- 13.4 Alterations to the terms of an insurance shall not be made without the approval of the Competent authority.

**14. Site Investigation Report.**

- 14.1. The Contractor, in preparing the Bid, shall rely on any site Investigation Reports referred to in the Contract Data, supplemented by any information available to the Bidder. In case such information is not available in the contract data, the Contractor shall gather such information from the office of Engineer-In- Charge. No claim on account of non availability will be entertained.

**15. Queries about the Contract Data.**

- 15.1. The Engineer-in-Charge will clarify queries on the Contract Data.

**16. Contractor to Construct the Works**

- 16.1. The Contractor shall construct and install the Works in accordance with the Specification and Drawings.

**17. The Works to be Completed by the Intended Completion Date.**

- 17.1. The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the programme submitted by the Contractor, as updated with the approval of the Engineer-in-Charge, and complete them by the Intended Completion Date.

**18. Approval by the Engineer-in-Charge**

- 18.1. The Contractor shall submit Specifications and Drawings showing the proposed Temporary Works to the Engineer-in-Charge, who is to approve them if they comply with the Specifications and Drawings.
- 18.2. The Contractor shall be responsible for design of Temporary Works.
- 18.3. The Engineer-in-Charge's approval shall not alter the Contractor's responsibility for design of the Temporary Works.

- 18.4. The Contractor shall obtain approval of third parties to the design of the Temporary Works where required.
- 18.5. All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Engineer-in-Charge before their use.

**19. Safety**

- 19.1. The Contractor shall be responsible for the safety of all activities on the Site.

**20. Discoveries**

- 20.1. Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the Employer. The Contractor is to notify the Engineer-in-Charge of such discoveries and carry out the Engineer-in-Charge's instructions for dealing with them.

**21. Possession of the Site**

- 21.1. The Employer shall give possession of all parts of the Site to the Contractor. If possession of a part is not given by the date stated in the Contract Data the Employer is deemed to have delayed the start of the relevant activities and this will be Compensation Event.

**22. Access to the Site**

- 22.1. The Contractor shall allow the Engineer-in-Charge and any person authorized by the Engineer-in-Charge access to the Site, to any place where work in connection with the Contract is being carried out or is intended to be carried out and to any place where materials or plant are being manufactured/fabricated/assembled for the works.

**23. Instructions**

- 23.1. The Contractor shall carry out all instructions of the Engineer-in-Charge pertaining to works which comply with the applicable laws where the Site is located.

**24. Arbitration Clause**

- 24.1 (a) In case of any dispute or difference of any kind whatsoever either party will make an appeal to the Appellant Authority i.e. E.O.-cum-S.E. who will decide the issue within 90 days. If either party is not satisfied with appeal, he can invoke arbitration clause. Adjudication of the dispute shall be heard by the sole arbitrator to be appointed by the University.

(b) The Arbitration and Conciliation Act 1996 amended up to date shall be applicable on all the matters of arbitration.

(c) Either party shall be entitled to bring a claim for arbitration within 3 years and Limitation Act 1963 amended up to date will be applicable.

- 24.2 It is also a term of this arbitration agreement that where the party invoking arbitration is the contractor, no reference for arbitration shall be maintainable unless the contractor furnishes to the satisfaction of the Executive Engineer-in-Charge of the work a security deposit @ 10% of amount of claim and the sum so deposited shall, on termination of the arbitration proceedings, be adjusted against the cost if any, awarded by the arbitrator against the claimant party and the balance remaining after such adjustment in the absence of any such cost being awarded the whole of sum will be refunded to him within one month from date of the award.

- 24.3 The stamp fee due on the award shall be payable by the party as desired by the arbitrator and in the event of such parties default stamp fee shall be recoverable from any other sum due to such party under this or any other contract.

**25. Deleted**

**26. Deleted**

**B. TIME CONTROL**

**27. Programme**

- 27.1. Within the time stated in the Contract Data the Contractor shall submit to the Engineer-in-Charge for approval a Programme showing the general methods, arrangements, order, and timing for all the activities in the Works along with monthly cash flow forecast.

- 27.2. An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.
- 27.3. The Contractor shall submit to the Engineer-in-Charge, for approval, an updated Programme at intervals no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.
- 27.4. The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.

## **28. Extension of the Intended Completion Date**

- 28.1. The Engineer shall extend the Intended Completion Date, with approval from authority competent i.e. E.O.-cum-S.E. CCSHAU, Hisar to grant time extension as mentioned in Clause 16.16.6 of PWD code through employer, if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost. The Clause 16.16.6 is reproduced as under:-  
**“16.16.6** The authority competent to technically sanction the estimate shall have the power to grant EOT. However, to check disproportionate EOTs and to ensure uniformity in approach, the Engineer-in-Chief shall issue instructions in this regard from time to time”.
- 28.2. The Engineer with the approval of the authority competent to grant time extension as per PWD Code Clause 16.16.6 through employer shall decide whether and by how much to extend the intended completion date within 60 days of the Contractor asking the Engineer-in-Charge for a decision upon the effect of compensation event or variation and submitting full supporting information. If the Contractor has failed to give early warning of delay or has failed to cooperate in dealing with a delay, the delay by the failure shall not be considered in accessing the new Intended Completion Date..
- 28.3. The Engineer shall within 14 days of receiving full justification from the contractor for extension of Intended Completion Date refer to the employer. The employer shall refer the case to the authority competent to grant time extension as per Clause 16.16.6 of PWD Code within further 14 days for his decision. If the authority competent to grant time extension fails to give his acceptance within next 28 days, the engineer shall not grant the time extension and the Contractor may refer the matter to the Appellant Authority under clause 24.1. In case the employer happens to be the authority competent to grant time extension, he would convey his decision to the Engineer within 42 days.

## **29. Deleted**

## **30. Delays Ordered by the Engineer-in-Charge**

- 30.1. The Engineer-in-Charge may instruct the Contractor to delay the start or progress of any activity within the Works.

## **31. Management Meetings**

- 31.1. Either the Engineer-in-Charge or the Contractor may require the other to attend a management meeting. The business of a management meeting shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure. One meeting in each quarter is mandatory for smooth running of works. Proceedings of meeting may be circulated to all including Head office.
- 31.2. The Engineer-in-Charge shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken is to be decided by the Engineer-in-Charge either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

**32. Early Warning**

- 32.1. The Contractor is to warn the Engineer-in-Charge at the earliest opportunity of specific likely future events or circumstances that may adversely affect the quality of the work, increase the Contract Price or delay the execution of works. The Engineer-in-Charge may require the Contractor to provide an estimate of the expected effect of the future event or circumstance on the Contract Price and Completion Date. The estimate is to be provided by the Contractor as soon as reasonably possible.
- 32.2. The Contractor shall cooperate with the Engineer-in-Charge in making and considering proposals for how the effect of such an event or circumstance can be avoided or reduced by anyone involved in the work and in carrying out any resulting instruction of the Engineer-in-Charge.

**C. QUALITY CONTROL****33. Identifying Defects**

- 33.1. The Engineer-in-Charge shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Engineer-in-Charge may instruct the Contractor to search for a Defect and to uncover and test any work that the Engineer-in-Charge considers may have a Defect.

**34. Tests**

- 34.1. If the Engineer-in-Charge instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples. If there is no Defect the test shall be a Compensation Event.

**35. Correction of Defects**

- 35.1. The Engineer-in-Charge shall give notice to the Contractor of any Defect (structural, technical or routine maintenance nature) before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Data. The Defects Liability period shall be extended for as long as Defects remain to be corrected. The defects shall include the routine maintenance activities as well.
- 35.2. Every time notice of a Defect is given the Contractor shall correct the notified Defect within the length of time specified by the Engineer-in-Charge's notice.

**36. Uncorrected Defects**

- 36.1. If the Contractor has not corrected a Defect within the time specified in the Engineer-in-Charge's notice, the Engineer-in-Charge will assess the cost of having the Defect corrected, and the Contractor will pay double of this amount.

**D. COST CONTROL****37. Bill of Quantities**

- 37.1. The Bill of Quantities shall contain items for the construction, installation, testing and commissioning work to be done by the Contractor.
- 37.2. The Bill of Quantities is used to calculate the Contractor Price. The Contractor is paid for the quantity of the work done at the rate in the Bill of Quantities for each item.

**38. Changes in the Quantities & Payment/Variations**

- 38.1. The quantities of all items given in the Schedule are tentative these can be increased or decreased as per working Architectural drawings/structural drawings & nothing extra shall be paid. The Engineer-in-Charge shall have power to make any alteration/omission addition to or substitutions for the original specifications, drawing, designs and instructions that may appear to him to be necessary or advisable during the progress of the work and the Contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in writing signed by the Engineer-in-charge and such alterations, omissions, additions or substitutions shall not invalidate the contract, and any altered, additional or substituted work which the Contractor may be directed to do in the

manner above specified as part of the work shall be carried out by the Contractor on the same terms & conditions in all respects on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work,

- 38.2. If the altered additional or substituted work includes any class of work, for which no rate is specified in the contract, than such class of work shall be carried out at the rates entered in the Haryana Schedule of rates plus ceiling premium subject to the same percentage above or below as per financial statement or the contract and if such class of work is not entered in the scheduled of rates then the Contractor shall within seven days of the date of the receipt of the order to carry out the work inform the Engineer-in-Charge of the rate-which it is his intention to charge does not agree to this rate he shall by notice in writing be at liberty to cancel his order to carry out such class or work and arrange to carry it out in such manner as he may consider advisable provided always that if the contractor's shall commence work or incur any expenditure in regard there to before the rates shall have been determined lastly herein before mentioned, than and in such case he shall be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of determination of the rates as aforesaid according to such rate or rates as shall be fixed by the Engineer-in-Charge. In event of a dispute the decision of Employer shall be final

38.3. Deleted.

**39. Variations**

39.1. Deleted.

**40. Payments for Variations**

40.1 Deleted.

40.2. Deleted.

40.3. Deleted.

40.4. Deleted.

40.5. Deleted.

**41. Cash Flow Forecasts**

41.1. When the Programme is updated, the contractor is to provide the Engineer-in-Charge with an updated cash flow forecast.

**42. Payment Certificates**

42.1. The Contractor shall submit to the Engineer-in-Charge monthly statements of the estimated value of the work completed less the cumulative amount certified previously by 1<sup>st</sup> week of the month. In case contractor does not submit his bill by 1<sup>st</sup> week of the month, Engineer-In-Charge shall get the monthly statement of the estimated value of work completed less cumulative amount prepared by the end of third week of the month. This procedure will be followed even if no work is carried out at the site of work.

42.2. The Engineer-in-Charge shall check the Contractor's monthly statement within 14 days and certify the amount to be paid to the Contractor after taking into account any credit or debit for the month in question in respect of materials for the works in the relevant amounts and under conditions set forth in sub-clause 51(3) of the conditions of contract.

42.3. The value of work executed shall be determined by the Engineer-in-Charge.

42.4. The value of work executed shall comprise the value of the quantities of the Compensation Events.

42.5. The value of work executed shall include the valuation of Variations and Compensation Events.

42.6. The Engineer-in-Charge may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information.

### **43. Payments**

- 43.1. Deleted
- 43.3. Items of the Works for which no rate or price has been entered in will not be paid for by the Employer and shall be deemed covered by the other rates and price in the Contract.

### **44. Compensation Events**

- 44.1. The following are Compensation Events unless they are caused by the Contractor;
- (a) The Employer does not give access to substantial Site by the Site Possession Date stated in the Contract Data.
  - (b) The Employer modifies the schedule of other contractors in a way which affects the work of the contractor under the contract.
  - (c) The Engineer-in-Charge orders a delay or does not issue drawings, specifications or instructions required for execution of works due to which the work is delayed. However, these can be issued from time to time during the execution of the work.
  - (d) The Engineer-in-Charge instructs the Contractor to uncover or to carry out additional tests upon work which is then found to have no Defects.
  - (e) The Engineer-in-Charge does not approve of a subcontract to be let, within 30 days.
  - (f) Ground conditions are substantially more adverse than could reasonably have been assumed before issuance of Letter of Acceptance from the information issued to Bidders (including the Site Investigation Reports), from information available and from a visual inspection of the site.
  - (g) The Engineer-in-Charge gives an instruction for dealing with an unforeseen condition, caused by the Employer, or additional work required for safety or other reasons.
  - (h) Other contractors, public authorities, utilities or the Employer does not work within the dates and other constraints stated in the Contract, and they cause delay or extra cost to the Contractor.
  - (i) The advance payment is delayed, beyond 45 days after receipt of application and bank guarantee.
  - (j) The effect on the Contractor of any of the Employer's Risks.
  - (k) The Engineer-in-Charge unreasonably delays issuing a Certificate of Completion.
  - (l) Other Compensation Events listed in the Contract Data or mentioned in the Contract.
- 44.2. If a Compensation Event would cause additional cost or would prevent the work being completed before the Intended Completion Date, the Contract Price shall be increased and/or the Intended Completion Date is extended. The Engineer-in-Charge shall decide whether and by how much the Contract Price shall be increased and whether and by how much the Intended Completion Date shall be extended.
- 44.3. As soon as information demonstrating the effect of each Compensation Event upon the Contractor's forecast cost has been provided by the Contractor, it is to be assessed by the Engineer-in-Charge and the Contract Price shall be adjusted accordingly. If the Contractor's forecast is deemed unreasonable, the Engineer-in-Charge shall adjust the Contract Price based on Engineer-in-Charge's own forecast. The Engineer-in-Charge will assume that the Contractor will react competently and promptly to the event.
- 44.4. The Contractor shall not be entitled to compensation to the extent that the Employer's interests are adversely affected by the Contractor not having given early warning or not having cooperated with the Engineer-in-Charge.

### **45. Tax**

- 45.1. The rates quoted by the Contractor shall be deemed to be inclusive of the sales tax /VAT, Labour Cess, 100% Service Tax and other taxes that the Contractor will have to pay for the performance of this Contract. The Employer will perform such duties in regard to the deduction of such taxes at source as per applicable law.

### **46. Currencies**

- 46.1. All payments shall be made in Indian Rupees.

#### **47. Price Adjustment.**

47.1 The rate of cement/steel issued under the authority of Engineer-in-Chief Hr. PW (B&R) Deptt., Chandigarh on the date of receipt of tender shall be considered as base rate. If during execution of the works, the rate of cement/steel increases or decreases, the difference in cost shall be paid/ recouped from the contractor in the bill, as per formula given on contract data at sr.no.23 subject to the following conditions:-

47.1.1 The cement/steel will be arranged by the Contractor.

47.1.2 The contractor shall submit original bill/ voucher while claiming the payment for the work done. The bill/ voucher should pertain to the period of original contractual time limit and should correspond with the progress of work. No extra payment due to increase in rate of cement/steel will be paid if the original bill/ vouchers are not submitted by the agency. No increase in prices of the cement/steel shall be reimbursed to the contractor beyond the original time period allowed for construction as per contract agreement irrespective of extension of time limit granted to the agency for any reason, whatsoever.

47.1.3 After approval of tender, the Contractor shall submit the work programme for execution of work and get it approved from the Engineer-in-Charge in the time limit prescribed in the tender document. The increase in rates of cement/steel shall only be paid if the work is carried out within the prescribed period as per the approved work programme.

47.2 To the extent that full compensation for any rise or fall in costs to the contractor is not covered by the provisions of this or other clauses in the contract, the unit rates and prices included in the contract shall be deemed to include amounts to cover the contingency of such other rise or fall in costs.

#### **48. Retention Money**

48.1 6% (six percent) retention money shall be deducted from running bills subject to a maximum of 5% of the agreement amount and shall be refunded 50% immediately after completion of work to the satisfaction of Engineer-in-Charge & balance 50% will be released after expiry of the defect liability period. However, retention money can be released against unconditional Bank Guarantee in favour of department valid for 60 days beyond stipulated period as per schedule.

#### **49. Liquidated Damages(LD)**

49.1. The Contractor shall pay liquidated damages to the Employer at the rate per day stated in the Contract Data for each day that the Completion Date is later than the Intended Completion Date (for the whole of the works or the milestone as stated in the contract data). The total amount of liquidated damages shall not exceed the amount defined in the Contract Data. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages does not affect the Contractor's liabilities.

49.2. If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer-in-Charge shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate. The Contractor shall be paid interest on the over payment calculated from the date of payment to the date of repayment at the rates specified in Sub Clause 43.1. If the contractor achieves the next mile stone in time, then LD imposed will be waived off automatically and payment shall be released without any interest in the next bill due to the contractor.

49.3. If the Contractor fails to comply with the time for completion as stipulated in the tender, then the contractor shall pay to the employer the relevant sum stated in the Contract Data as Liquidated damages for such default and not as penalty for everyday or part of day which shall elapse between relevant time for completion and the date stated in the taking over certificate of the whole of the works on the relevant section, subject to the limit stated in the contract data.

The engineer may, without prejudice to any other method of recovery deduct the amount of such damages from any money due or to become due to the contractor. The payment or deduction of such damages shall not relieve the contractor from his obligation to complete the works on from any other of his obligations and liabilities under the contract.

#### **50. Bonus Deleted**

**51. Advance Payment**

- 51.1. The Engineer shall make advance payment to the Contractor of the amounts stated in the Contract Data by the date stated in the Contract Data, against provision by the Contractor of an Unconditional Bank Guarantee in a form and by a bank acceptable to the Engineer in amounts and currencies equal to the advance payment. The guarantee shall remain effective until the advance payment has been repaid, but the amount of the guarantee shall be progressively reduced by the amounts repaid by the Contractor. Interest will be charged on the advance payment.
- 51.2. The Contractor is to use the advance payment only to pay for Equipment, Plant and Mobilization expenses required specifically for execution of the Works. The Contractor shall demonstrate that advance payment has been used in this way by supplying copies of invoices or other documents to the Engineer-in-Charge.
- 51.3. The advance payment shall be repaid by deducting proportionate amounts from payments otherwise due to the Contractor. Following the schedule of completed percentages of the Works on a payment basis. No account shall be taken of the advance payment or its repayment is assessing valuations of work done, Variations, price adjustments, Compensation Events, or Liquidated Damages.

**51.4. Secured Advance**

The Engineer-in-Charge shall make advance payment in respect of materials intended for but not yet incorporated in the Works in accordance with conditions stipulated in the Contract Data.

**52. Securities**

- 52.1. The Performance Security (Including additional security for unbalanced bids) shall be provided to the Employer not later than the date specified in the Letter of Acceptance and shall be issued in an amount and form and by a bank or surety acceptable to the Employer, and denominated in Indian Rupees. The Performance Security shall be valid until a date 45 days from the date of expiry of Defects Liability Period and the additional security for unbalanced bids shall be valid until a date 45 days from the date of issue of the certificate of completion.

**53. Deleted****54. Cost of Repairs**

- 54.1. Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Correction Periods shall be remedied by the Contractor at the Contractor's cost if the loss or damage arises from the Contractor's act or omissions.

**E. FINISHING THE CONTRACT****55. Completion**

- 55.1. The Contractor shall request the Engineer-in-Charge to issue a Certificate of Completion of the Works and the Engineer-in-Charge will do so upon deciding that the Work is completed.

**56. Taking Over**

- 56.1. The Employer shall take over the Site and the Works within seven days of the Engineer-in-Charge issuing a certificate of Completion.

**57. Final Account**

- 57.1. The Contractor shall supply to the Engineer-in-Charge a detailed account of the total amount that the Contractor considers payable under the Contract before the end of the Defects Liability Period. However, the final bill of the work will be passed by the Engineers within 90 days from the date of completion. The final account and final bill are different in nature. The Engineer-in-Charge shall issue a Defect Liability Certificate and certify any final payment that is due to the Contractor within 56 days after the end of defect liability period if it is correct and complete. If it is not, the Engineer-in-Charge shall issue within 56 days a schedule that states the scope of the corrections or additions that are necessary. If the Final Account is still unsatisfactory after it has been resubmitted, the Engineer-in-Charge shall decide on the amount payable to the Contractor and issue a payment certificate, within 56 days of receiving the Contractor's revised account.

**58. Operating and Maintenance Manuals**

- 58.1. If “as built” Drawing and/or operating and maintenance manuals are required, the Contractor shall supply them by the dates stated in the Contract Data.
- 58.2. If the Contractor does not supply the Drawings and/or manuals by the dates stated in the Contract Data, or they do not receive the Engineer-in-Charge’s approval, the Engineer-in-Charge shall withhold the amount stated in the Contract Data from payments due to the Contractor.

**59. Termination**

- 59.1. The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.
- 59.2. Fundamental breaches of Contract include, but shall not be limited to the following:
- (a) the Contractor stops work for 20 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer-in-Charge.
  - (b) the Engineer-in-Charge instructs the Contractor to delay the progress of the Works and the instruction is not withdrawn within 28 days;
  - (c) the Employer or the Contractor is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation;
  - (d) a payment certified by the Engineer-in-Charge is not paid by the Employer to the Contractor within 56 days of the date of the Engineer-in-Charge’s certificate;
  - (e) the Engineer-in-Charge gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer-in-Charge;
  - (f) the Contractor does not maintain a security which is required.
  - (g) the Contractor has delayed the completion of miles stone/ work by 30 days and
  - (h) if the Contractor, in the judgment of the Employer has engaged in corrupt or fraudulent practices in competing for or in executing the Contract
  - (i) Non-employment of key personnel as per clause 9.

For the purpose of this paragraph “ corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution “ Fraudulent practice: means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition.”

- 59.3. When either party to the Contract gives notice of a breach of contract to the Engineer-in-Charge for a cause other than those listed under Sub Clause 59.2 above, the Engineer-in-Charge shall decide whether the breach is fundamental or not.
- 59.4. Notwithstanding the above, the Employer may terminate the Contract for convenience.
- 59.5. If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonable possible.

**60. Payment upon Termination**

60.1. If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer-in-Charge shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. Additional Liquidated Damages shall not apply. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.

60.2. If the Contract is terminated at the Employer’s convenience or because of a fundamental breach of Contract by the Employer, the Engineer-in-Charge shall issue a certificate for the value of the work done, the cost of balance material brought by the contractor and available at site, the reasonable cost of removal of Equipment, repatriation of the Contractor’s personnel employed solely on the Works, and the Contractor’s costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.

**61. Property**

61.1. All materials on the Site, Plant, Equipment, Temporary Works and Works are deemed to be the property of the Employer, if the Contract is terminated because of a Contractor's default.

**62. Release from Performance**

62.1. If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of either the Employer or the Contractor the Engineer-in-Charge shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which commitment was made.

**63. Payment System:**

The agency/bidder to whom the work is allotted shall be paid lowest of the following in the running/finals bills:-

1. Amount calculated with the accepted rates of the lowest agency.
2. Amount worked out with the rates of L-2/L-3/L-4 and so on.
3. Amount worked out with the accepted percentage above/below HSR+CP/analytical rates/NS item rates worked out in financial statement. Financial statement will be made a part of agreement.

**F. SPECIAL CONDITIONS OF CONTRACT****1. LABOUR:**

The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.

The Contractor shall, if required by the Engineer-in-Charge, deliver to the Engineer-in-Charge a return in detail, in such form and at such intervals as the Engineer-in-Charge may prescribe, showing the staff and the numbers of the several classes of labour from time to time employed by the Contractor on the Site and such other information as the Engineer-in-Charge may require.

**2. COMPLIANCE WITH LABOUR REGULATIONS :**

During continuance of the contract, the Contractor and his sub-contractors shall abide at all times by all existing labour enactments and rules made thereunder, regulations, notifications and bye laws of the State or Central Government or local authority and any other labour law (including rules), regulations, bye laws that may be passed or notification that may be issued under any labour law in future either by the State or the Central Government or the local authority. Salient features of some of the major labour laws that are applicable to construction industry are given below. The Contractor shall keep the Employer indemnified in case any action is taken against the Employer by the competent authority on account of contravention of any of the provisions of any Act or rules made there under, regulations or notifications including amendments. If the Employer is caused to pay or reimburse, such amounts as may be necessary to cause or observe, or for non-observance of the provisions stipulated in the notifications/bye laws/Acts/Rules/regulations including amendments, if any, on the part of the Contractor, the Engineer-in-Charge/Employer shall have the right to deduct any money due to the Contractor including his amount of performance security. The Employer/Engineer-in-Charge shall also have right to recover from the Contractor any sum required or estimated to be required for making good the loss or damage suffered by the Employer.

The employees of the Contractor and the Sub-Contractor in no case shall be treated as the employees of the Employer at any point of time.

**SALIENT FEATURES OF SOME MAJOR LABOUR LAWS APPLICABLE TO ESTABLISHMENTS ENGAGED IN BUILDING AND OTHER CONSTRUCTION WORK.**

- a) Workman Compensation Act 1923:- The Act provides for compensation in case of injury by accident arising out of and during the course of employment.
- b) Payment of Gratuity Act 1972:- Gratuity is payable to an employee under the Act on satisfaction of certain conditions on separation if an employee has completed 5 years service or more on death, the rate of 15 days wages for every completed year of service. The Act is applicable to all establishments employing 10 or more employees.

- c) Employee P.F. and Miscellaneous Provision Act 1952:- The Act Provides for monthly contributions by the employer plus workers @10% each. The benefits payable under the Act are:
- (i) Pension or family pension on retirement or death, as the case may be.
  - (ii) Deposit insurance linked with death of the worker during Employment.
  - (iii) Payment of P.F. accumulation or retirement/death etc.
- d) Maternity Benefit Act 1951:- The Act provides for leave and some other benefits to women employees in case of confinement or miscarriage etc.
- (e) Contract Labour (Regulation & Abolition) Act 1970:- The Act provides for certain welfare measures to be provided by the Contractor to contract labour and in case the Contractor fails to provide, the same are required to be provided by the Principal Employer by Law. The Principal Employer is required to take Certificate of Registration and the Contractor is required to take licence from the designated Officer. The Act is applicable to the establishments or Contractor of Principal Employer, if they employ 20 or more contract labour.
- (f) Minimum Wages Act 1948:- The Employer is supposed to pay not less than the Minimum Wages fixed by appropriate Government as per provisions of the Act, if the employment is a scheduled employment. Construction of Buildings, Roads, Runways are scheduled employments.
- (g) Payment of Wages Act 1936:- It lays down as to by what date the wages are to be paid, when it will be paid and what deductions can be made from the wages of the workers.
- (h) Equal Remuneration Act 1979:- The Act provides for payment of equal wages for work of equal nature to Male and Female workers and for not making discrimination against Female employees in the matters of transfers, training and promotions etc.
- (i) Deleted.
- (j) Industrial Disputes Act 1947:- The Act lays down the machinery and procedure for resolution of Industrial disputes, in what situations a strike or lock-out becomes illegal and what are the requirements for laying off or retrenching the employees or closing down the establishment.
- (k) Industrial Employment (Standing Orders) Act 1946:- It is applicable to all establishments employing 100 or more workmen (employment size reduced by some of the States and Central Government to 50 ). The Act provides for laying down rules governing the conditions of employment by the Employer on matters provided in the Act and get the same certified by the designated Authority.
- (l) Trade Unions Act 1926:- The Act lays down the procedure for registration of trade unions of workmen and employers. The Trade Unions registered under the Act have been given certain immunities from civil and criminal liabilities.
- (m) Child Labour (Prohibition & Regulation) Act 1986:- The Act prohibits employment of children below 14 years of age in certain occupations and processes and provides for regulation of employment of children in all other occupations and processes. Employment of Child Labour is prohibited in Building and Construction Industry.
- (n) Inter-State-Migrant workmen's (Regulation of Employment & Conditions of Service) Act 1979:- The Act is applicable to an establishment which employs 5 or more inter-state migrant workmen through an intermediary (who has recruited workmen in one state for employment in the establishment situated in another state). The Inter-State migrant workmen, in an establishment to which this Act becomes applicable, are required to be provided certain facilities such as housing, medical aid, traveling expenses from home upto the establishment and back, etc.
- (o) The Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act 1996 and the Cess Act of 1996:- All the establishment who carry on any building or

other construction work and employs 10 or more workers are covered under this Act. All such establishments are required to pay cess at the rate not exceeding 2% of the cost of construction as may be modified by the Government. The Employer of the establishment is required to provide safety measures at the Building or construction work and other welfare measures, such as Canteens, First-Aid facilities, Ambulance, Housing accommodations for workers near the work place etc. The Employer to whom the Act applies has to obtain a registration certificate from the Registering Officer appointed by the Government.

- (p) Factories Act 1948:- The Act lays down the procedure for approval of plans before setting up a factory, health and safety provisions, welfare provisions, working hours, annual earned leave and rendering information regarding accidents or dangerous occurrences to designated authorities. It is applicable to premises employing 10 persons or more with aid of power or 20 or more persons without the aid of power engaged in manufacturing process.

## **SECTION-4**

# **CONTRACT DATA**

**CONTRACT DATA****Clause Reference  
with respect  
to section 3****Items marked “N/A” do not apply in this Contract.**

- 1 The Employer  
Name: EO-cum-Superintending Engineer  
Address: CCSHAU, Hisar
- 2 Name of Engineer- Executive Engineer (C.II) [Cl.1.1]  
Charge CCSHAU, Hisar.
- 3 The Defects Liability Period is 12 (twelve) months from the date of completion of work. [Cl.1.1 & 35]
- 4 The Start Date shall be 21 days after the date of issue of the acceptance letter.
- 5 The Intended Completion Date for the whole of the work is 3 months after start of work with the following milestones: [Cl.1.1,17&28]  
[Cl.2.2 &49.1]
- 6 **Milestone dates:**  
**Physical works to be completed** **Period from the start date**  
Milestone 1 i.e. 25% 35% of the stipulated time  
Milestone 2 i.e. 50% 65% of the stipulated time  
Milestone 3 i.e. 75% 85% of the stipulated time  
Milestone 4 i.e. 100% 100% of the stipulated time
- The site is located in district Hisar [Cl.1.1]
- 8 The following documents also form part of the Contract i.e. undertaking of the bidder if any. [Cl. 2.3(9)]
- 9 The law which applies to the Contract is the law of Union of India [Cl.3.1]
- 10 The language of the Contract documents is English [Cl.3.1]
- 11 Limit of subcontracting 20% of the Initial Contract Price [Cl.7.1]
- 12 The Schedule of Key Personnel As per Annex.-II of Section I [Cl.9]
- 13 The minimum insurance cover for physical property, injury and death is Rs.5 lakhs per occurrence with the number of occurrences limited to four. After each occurrence, contractor will pay additional premium necessary to make insurance valid for four occurrences always. This clause is applicable for contracts more than 1.00 crore initially [Cl.13]  
Clause Reference with respect to section 3
- 14 The Site Possession Date shall be the date of issue of acceptance letter [Cl.14]
- 15 The Competent authority incharge is the E.O.-cum-S.E., CCSHAU, Hisar upto Rs.1.00 lac. Claim amount. [Cl.21]
- 16 The Competent authority incharge is the E.O.-cum-S.E., CCSHAU, Hisar beyond Rs.1.00 lac Claim amount. [Cl.24]

- 17 Deleted. [C1.26]
- 18 The period for submission of the programme for approval of Engineer shall be 21 days from the issue of Letter of Acceptance. [C1.27.1]
- 19 The period between programme updates shall be 90 days. [C1.27.3]
- 20 The amount to be withheld for late submission of an updated programme shall be 0.25% of contract price subject to max. of Rs. 2.00 lakhs. [C1.27.3]
- 21 The following events shall also be Compensation Events: [C1.44]
- Substantially adverse ground conditions encountered during the course of execution of work not provided for in the bidding document
- (i) Removal of underground utilities detected subsequently.
  - (ii) Significant change in classification soil requiring additional mobilization by the contractor, e.g. ordinary soil to rock excavation.
  - (iii) Removal of unsuitable material like marsh, debris dumps, etc. not caused by the contractor.
  - (iv) Artesian conditions
  - (v) Seepage, erosion, landslide.
  - (vi) River training requiring protection of permanent work.
  - (vii) Presence of historical, archeological or religious structures, monuments interfering with works.
  - (viii) Restriction of access of ground imposed by civil, judicial, or military authority.
- 22 The currency of the Contract is Indian Rupees. [C1.46]

23 **For contract(s) amounting to more than Rs.1.00 crore,**

- (a) A) If after submission of the tender, the price of cement and /or steel reinforcement bars incorporated in the works increase(s) beyond the price(s) prevailing at the time of last stipulated date for receipt of tenders (including extensions, if any) for the work, then the amount of the contract shall accordingly be varied and provided further that any such increase shall not be payable if such increase has become operative after the stipulated date of completion of work in question.
- B) If after the submission of the tender, the prices of cement and / or steel reinforcement bars incorporated in the works is decreased, Govt. shall in respect of these materials incorporated in the works be entitled to deduct from the dues of the contractor such amount as shall be equivalent to the difference between the prices of cement and /for steel reinforcement as prevailed at the time of last stipulated date for receipt of tenders including extensions if any for the work and the prices of these materials on the coming into force of such base price of cement and /or steel reinforcement bars issued under Engineer-In-chief, Hr.PW(B&R) Deptt., Chandigarh. The base price of cement & steel is as below.

**Pc (Cement)**

**Rs.5000/- Per MT including taxes**

**Ps(Steel Reinforcement Bars)**

**Rs.47,000/- Per MT including taxes**

It is further clarified that the decrease in the prices of cement & steel shall be deducted from the dues of the contractor if such decrease has become operative after the stipulated date of completion of work in question and increase shall not be payable if such increase has become operative after the stipulated date of completion of work in question. The increase/decrease in price shall be determined by the **All India Wholesale Price Indices for Cement (Grey Cement) and Steel (Rebars) as published by the Economic Advisor to Government of India, Ministry of Commerce and Industry** ) and base price for cement and /or steel reinforcement bars as issued under authority of the Engineer-In-chief, Hr.PW(B&R) Deptt., Chandigarh as valid on the last stipulated date of receipt of tender including extension if any and for the period under consideration.

If the purchase rate of cement and steel is less than the base rate no variation in cost will be payable to the agency.

The amount of the contract shall accordingly be carried for cement and /or steel reinforcement

bars and will be worked out as per the formula given below.

a) Adjustment for component of 'Cement'

$$V_c = P_c \times Q_c \times \frac{C_1 - C_{10}}{C_{10}}$$

Where,

$V_c$  = Variation in cement cost i.e. increase or decrease in the amount in rupees to be paid or recovered.

$P_c$  = Base price of cement as issued under authority of Engineer-In-chief, Hr.PW(B&R) Deptt., Chandigarh valid at the time of the last stipulated date of receipt of tender including extensions, if any.

$Q_c$  = Quantity of cement used in the works since previous bill.

$C_{10}$  = All India Wholesale Price index for Grey cement as published by the Economic Advisor to Government of India, Ministry of Industry and Commerce as valid on the last stipulated date of receipt of tenders including extensions, if any.

$C_1$  = All India Wholesale Price index for cement for period under Consideration as published by Economic Advisor to Government of India, Ministry and Commerce as valid on the date of purchase of material.

b) Adjustment for Component of 'Steel'

$$V_s = P_s \times Q_s \times \frac{S_1 - S_{10}}{S_{10}}$$

Where,

$V_s$  = Variation in cost of steel reinforcement bars i.e. increase or decrease in the amount in rupees to be paid or recovered.

$P_s$  = Base price of steel reinforcement bars, as issued under authority of Engineer-In-chief, Hr.PW(B&R) Deptt., Chandigarh at the time of the last stipulated date of receipt of tender including extension, if any.

$Q_s$  = Quantity of steel paid either by way of secured advance or used in the works since previous bill( whichever is earlier )

$S_{10}$  = All India wholesale Price Index for Steel (Rebars) for the period under consideration as published by Economic Advisor to Government of India, Ministry of Industry and Commerce as valid on the last stipulated date of tenders including extensions, if any.

$S_1$  = All India wholesale Price Index for steel (Rebars) in for the period under consideration as published by Economic Advisor to Government of India, Ministry of Industry and Commerce as valid on the date of purchase of material.

23. **Condition regarding supply of materials from CCSHAU, Store for works amounting to less than Rs.1.00 crore.**

For contract(s) amounting to less than Rs.1.00 crore.

**Schedule showing (approximately) material to be supplied from the CCSHAU, Store for works contracted to be executed and the rates at which they are to be charged for.**

The following material will be issued Ex. CCSHAU, Central Store at Hisar, the rates shown

against each plus 3% storage charges. Cement and Steel/Reinforcement Bars will be issued by the department.

- i. OPC-43 Grade Cement packed in Gunnybags / paper bags @ Rs. 225/- Per bags i/c cost of empty cement bags + 3% storage charges
- ii. Fe-500 D, TMT Steel bars (All dia) @ Rs. 45,500/- per MT + 3% storage charges
- iii. Mild Steel plain bars (All dia) @ Rs. Nil (per metric tonnes)
- iv. Bitumen 80/100 penetration @ Rs. -----/-

## CONDITIONS

i. Cement will be supplied to the contractor in standard packing bags as received by from the suppliers.

ii. The issue of cement bags shall be governed as per latest I.S.I Code.

iii. No claim whatsoever on account of delay in supply of the above material will be entertained by the Deptt.

iv. No claim will as entertained for damages or loss material in custody of the contractor due to rains floods or any other acts of God.

v. **In case the amount of financial statement on the accepted rates of the contractor is less than Rs. 1.00 Crore, the cement & steel shall be issued by the University and if the amount of financial statement on the accepted rates of the contractor is more than Rs. 1.00 Crore, then the Cement and steel shall be arranged by the agency at his own cost irrespective of the DNIT.**

24. The proportion of payments retained (retention money) shall be 6% [Cl.48]  
from each bill subject to a maximum of 5% of  
the contract amount.

25. Amount of liquidated damages for delay in For Whole of work 1/500 of the Initial [Cl.49]  
completion of works Contract Price per day.  
For Milestones (as specified, in item 6 of  
Contract Data)  
1/500 of the initial contract price per day

26. Maximum limit of liquidated damages for 10 per cent of the Initial Contract Price [Cl.49]  
delay in completion of work/ milestones rounded off to the nearest  
thousand.

27. Deleted

28. Deleted

29. The amounts of the advance payment are: (CL:51 & 52)

Nature of Advance	Amount (Rs)	Conditions to be fulfilled
I Mobilization / Maximum 5 % of the equipment (90% of cost of working equipment)		An interest bearing mobilization advance upto the extent of 5% of contract value (or such limit as prescribed) may be given to contractors for works costing more than Rs.2.00 crores, against unconditional and irrecoverable bank guarantees to be furnished by the contractor equal to the amount of advances paid from

time to time. Interest @Prime Lending Rate (PLR) of SBI prevalent at the time of tender per annum shall be charged against the mobilization advance given to the contractor.

The recovery of the mobilization advance together with interest shall be done through percentage deductions from interim/running payments, in the manner prescribed in the contract. It shall be desirable to recover the total amount of mobilization advance alongwith interest within 80% of the time stipulated for completion. The mobilization bank guarantee shall be released after the recovery of full mobilization advance, including interest thereon.

In case, of slow progress of work, the Engineer-In-Charge comes to a conclusion that the total amount of mobilization advance with interest cannot be recovered by the time 80% of stipulated time is over, the bank guarantee(s) furnished by the contractor may be encashed.

If the tender document so provides, the contractor will have the option to furnish mobilization bank guarantee in parts and on recovering of  $\frac{1}{4}$ ,  $\frac{1}{2}$ ,  $\frac{3}{4}$  and full advance, proportional bank guarantees can be released.

II Secured advance for non-perishable materials brought to site 75% of Invoice value

In case the contractor requires an advance on the security of materials brought to site, Engineer-In-Charge may, on written request from the contractor sanctioned the advance upto an amount 75% or as decided by the Engineer-In-Charge of the value (as assessed by themselves) as stated in the Contract Data of such materials, provided thereof imperishable nature and that a formal agreement is drawn up with the contractors under which Govt. secures a lien on the materials and is safeguarded against losses due to the contractor postponing the execution of the work or misuse of the material and against the expense entailed for their proper watch and safe custody. If the material is fire prone or can be destroyed fully/partially on storage, it shall be desirable to have it first insured by the contractor. Cases in which a contractor, whose contract is for finished work, requires an advance on the security of materials brought to site. Divisional Officer may, on written request from the contractor, sanction the advance upto an amount of 75% or as decided by the competent authority of the value (as assessed by themselves) of such materials, provided they are of an imperishable nature and that a formal agreement is drawn up with the contractor under which Government secures a lien on the materials and is safeguarded against losses due to the contractor postponing the execution of the work or misuse of the material and against the expense entailed for their proper watch and safe custody. If the materials is fire prone or can be destroyed fully/partially on storage, it shall be desirable to have it first insured by the contractor.

III Machinery Advance

For works costing more than Rs.10.00 crores, or such limit as may be prescribed by the University from time to time, another interest bearing machinery advance to a maximum of 5% of the contract price, depending on

merits of the case, can be given with the approval of the E.O.-cum-S.E. against the new key construction equipment brought to the site, if a written request is made by the contractor.

The advance shall be paid only upon the contractor furnishing (i) an affidavit that the machinery in question is free of any charge or hypothecation with any bank or financial institution: (ii) unconditional and irrecoverable bank guarantee(s) (iii) satisfactory proof of purchase/payment of the machinery, and (iv) a written undertaking that the equipment so purchased by him is required for use on the work in question, is fully serviceable shall work only on that job and shall not be removed from the site without obtaining written approval of the Engineer-In-Charge. The recovery of machinery advance and the interest to be charged thereon shall be as per tender document. Interest @Prime Lending Rate (PLR) of SBI prevalent at the time of tender per annum shall be charged against the machinery advance given to the contractor.

The recovery of the machinery advance together with interest shall be done through percentage deductions from interim/running payments, in the manner prescribed in the contract. It shall be desirable to recover the total amount of machinery advance alongwith interest within 80% of the time stipulated for completion. The mobilization bank guarantee shall be released after the recovery of full machinery advance, including interest thereon.

#### IV Bank Guarantees

The bank guarantee shall be unconditional, requiring the bank to pay the beneficiary the sum specified in the guarantee on the first demand and without demur, and without reference to the party on whose behalf it has been issued, notwithstanding any dispute or disagreement that might have arisen between the employer and the contractor. The form of bank guarantee shall be prescribed by the departments.

It shall be the duty of the Engineer-In-Charge to obtain independent confirmation about the genuineness of the bank guarantees directly from the bank issuing them. Further, he shall keep them in safe custody and hand them over to his successor when a change of charge takes place. Details of bank guarantees shall be entered into a register which shall be reviewed every month to ensure timely action in respect of renewal of any guarantee, if required, before it expires

(The advance payment will be paid to the Contractor no later than 28 days after fulfillment of the above conditions)

30 Deleted.

31 Always provided that the advance shall be completely repaid prior to the expiry of the original time for completion pursuant to clauses 17 and 28.

**Repayment of Secured advance.**

32. The advance shall be repaid from each succeeding monthly payments to the extent materials [for which advance was previously paid pursuant to Clause 51.4 of G.C.C.] have been incorporated into the Works.  
The Securities shall be for the following minimum amounts equivalent as a percentage of the Contract Price  
Performance Security for 5 per cent of contract price plus Rs..... (to be decided after evaluation of the bid) as additional security in terms of ITB Clause 29.5.
33. The standard form of Performance Security acceptable to the Employer shall be an unconditional Bank Guarantee of the type as presented in Section 8 of the Bidding Documents.
34. The date by which “as-built” drawings including PH/EI fixations (in scale as directed) in 2 sets are required is within 28 days of issue of certificate of completion of whole or section of the work, as the case may be.
35. The amount to be withheld for failing to supply “as-built” drawings by the date required is 1% of the contract value.
36. The following events shall also be fundamental breach of contract:  
“The Contractor has contravened Sub-clause 7.1 and Clause 9 of conditions of contract.”
37. The Contractor has contravened Sub-clause 7.1 and Clause 9.0 of GCC.  
If the Contract is terminated on account of fundamental breach of Contract by the Contractor, then the additional penalty for not completing the work shall be 20 percent of the value of the work not completed in addition to the Liquidated damages, [Cl:60]  
(To be calculated as per Clause 25 of contract date)

## **SECTION 5**

# **TECHNICAL SPECIFICATIONS**

## 1. **SPECIFICATIONS**

The work will be executed as per Haryana PWD B&R Specifications as per latest amendment.

In case of any discrepancy the Bureau of Indian Standards shall be followed and then CPWD specifications shall be followed. These will be in order of preference as mentioned below:

- i) Haryana PWD (B&R) Specifications.
- ii) Bureau of Indian Standards.
- iii) CPWD Specifications.

In case, any item is not covered by all three above, then the decision of Engineer-in-Charge shall be final.

## 2. **PREAMBLE**

2.1 The technical specifications contained herein shall be read in conjunction with the other bidding documents as specified in volume-1.

## 2.2 **SITE INFORMATION**

2.2.1 The information given here under and provided elsewhere in these documents is given in good faith by the employer but the contractor shall satisfy himself regarding all aspects of site conditions and no claim will be entertained on the plea that the information supplied by the employer is erroneous or insufficient.

2.2.2 The area in which the works are located is mostly plain terrain.

## 2.2.3 **GENERAL CLIMATIC CONDITIONS**

2.2.3.1 The Variation in daily temperature in this region is as under :-

- (i) During summer months, from about 20° C minimum to 46° C maximum.
- (ii) During winter months, from about 2° C minimum to 28° C maximum.

2.2.3.2 The average annual rainfall in the area is of the order of 500mm. A good portion of which is concentrated during the months of August and September each year.

2.2.3.3 The range of relative humidity varies from a minimum of 40% to a maximum of 80%.

**BROAD SPECIFICATION OF STEEL & CEMENT TO BE  
ARRANGED AND USED BY THE CONTRACTOR/BIDDER**

1. **STEEL**

The steel to be used for the work shall be T.M.T. steel as per I.S.1786. Fe. 500 D TMT Steel bars, instead of cold twisted Deformed (Ribbed/Tor Steel) bars, of the primary producers such as TATA Steel Ltd, SAIL, RINL, Jindal Steel & Power Ltd. (Jindal Panther), JSW Steel Ltd. and Electrosteel Steels Ltd. or any other primary producer as approved by the Direction Committee of Haryana who are using iron ore as the basic raw material / input and having crude steel capacity of 2.0 million tons per annum and above will be used.

2. **CEMENT**

I.S.I. marked 43 grade ordinary Portland cements as per I.S. 8112 (Latest) packed in HDPE bags of 50kg each from the reputed firm from Birla , J.K., Ambuja, J.P. or as approved by Engineer-in-Charge is to be used by the Contractor/ bidder. Pozzallana, Portland cement can be used only in non RCC work.

3. Test Certificate from Shri Ram Test House/ NIT Kurukshetra or any other approved test center shall be supplied by the agency for each lot of material and the cost thereof shall be borne by the agency.
4. Payment of items involving use of cement , steel will be made to the agency only if original voucher or bill of purchase is supplied to the Engineer-in-Charge-in-Charge .
5. No payment of items involving use of cement steel and other material will be made to the agency if it is brought from any other manufacturer other than mentioned in this DNIT and item thus executed will be rejected & No payment will be made for such items.
6. Marble, Dholpur, Kotah or any other type of stone should be used in the work as approved by the Engineer-in-Charge.
7. In case factory manufactured items, the contractor will give the name of manufacturers and a warranty certificate of five years in favour of Engineer-in-Charge. In case of doors shutters the type of wood used shall also be given by the manufacturer.
8. All material which will be brought to the site either should be got tested at site or a test certificate from the manufacturer will be produced by the contractor .In case Engineer-in-Charge is not satisfied with the certificate produced by the contractor than the material will be sent to a reputed laboratory for testing as desired by the Engineer-in-Charge and charges there of shall be borne by the agency.
9. In case sample is not found up to the specification than the testing expenditure will be borne by the agency and material is to be replaced.

10. If test certificate is not produced by the contractor/manufacturer the same will be got tested at the frequency as in I.S. code/laboratory manual/PWD specification and the entire expenditure will be borne by the agency.
11. The aluminum sections to be used in the Joinery work shall be of Jindal or Hindalco.
12. The Cement and Steel will be arranged by the Agency himself at his own cost and the rates quoted by the agency shall also include the cost of Cement and Steel. This claim is applicable for contract(s) costing Rs.1.00 crore and above.
13. The Cement manufactured by the mini Cement plant shall not be allowed to used.
14. The contractor shall use canal water for the construction of building or water from any other sources as approved by the Engineer-in-Charge. Water should be got from tested at regular intervals i.e. maximum of 2 (two) months from the laboratory approved by the Engineer-in-Charge and no extra cost will be paid for the same. Water to be used shall meet latest IS standard as per IS 456/other relevant codes. In case canal water is not available, contractor will install RO system of suitable capacity and check quality of water daily from the Lab set up at site in addition to regular testing from reputed lab. The contractor will be keep the R.O. in good working so that the quality of water is as per standards.
15. First quality paint of reputed make such as Asian Paints, Dulex Paints, Berger Paints and Nerolac Paints or equivalent as approved by the Engineer-in-Charge shall be used on the work.

## CONDITIONS FOR EARTH WORK

1. The earth to be used shall be good and free from leaves, mud, vegetable matter slush and other materials.
2. The work shall be carried out strictly in accordance with the P.W.D. specification book of 1990 of latest edition, there to and to the entire satisfaction of the Engineer-in-Charge-in-Charge of the work and as amended from time to time, till the date of final payment.
3. The rate to be quoted shall include all allowances for hardness wetness sales tax forest, dues octroi, cess and all such other charges and taxes leviable if any and nothing extra shall be payable to the agency on this account.
4. Nothing shall be paid for any loss of damages done due to rains, floods, or any other act of God.
5. Payment for earth filling will be done on the basis of cross sections as laid down in the Haryana PWD specification No. 6.2 para 27 (b) read with the para 28 and multiplying the ratio of dry built density of the earth and laid to dry bulk density of natural fill.
6. 20% deduction shall be made for actual measured cubic contents in all cases of un-compacted fills to arrive at the net cubic contents/measurements.
7. No earth shall be taken from Govt. land.
8. In case agency brings/use the earth from lesser lead than provided in the D.N.I.T. / analysis. The rate shall be reduced proportionately.
9. Cross section of existing ground at the interval of 15 metres shall be accepted and signed by the tenderer before start of the work.

## Requirements for use of Paver Blocks

**There are 2 types of requirements for use of paver blocks:-**

**1. Obligatory Requirements:- As per clause 6.2 of IS code-15658:2006**

- (i) Visual Inspection.
- (ii) Dimensions and Tolerances.
- (iii) Thickness of Wearing Layer.
- (iv) Water Absorption.
- (v) Compressive Strength.
- (vi) Abrasion Resistance.

**2. Optional Requirements:- As per Clause 6.3 of IS Code-15658:2006**

- (i) Tensile Splitting Strength.
- (ii) Flexural Strength / Breaking Load.
- (iii) Freeze-Thaw Durability.
- (iv) Colour and Texture.

**TECHNICAL CONDITION FOR EI WORK**

1. The recovery of the pipe already laid will be made on measurement rate basis or point rate basis or on actual expenditure basis whichever is on high side.
2. Conduit pipe where already laid for wiring purpose will be delivered to the contractor in absolutely clean condition with round inspection boxes duly painted, covered and whole system tested. After the conduit system is handed over to the contractor to whom the work is allotted, he will be responsible for its upkeep.
3. During execution of work, if the contractor does not lay pipe and its accessories in the slab within time prescribed by the Engineer-in-Charge of the work, the Deptt. can then lay the said pipe-departmentally at contractors risk and cost without operating related clauses of the contract agreement.
4. Separate conduit pipe for power plug with independent circuit wires shall be laid.
5. Multi plugs shall be provided in all the buildings.
6. C-Series MCB will be provided for air conditioner wiring and no extra payment will be made and only one make of MCB's will be used in whole work.
7. Vertical type of MCB distribution boards will be provided wherever required as per design.
8. The contractor is also allowed to use MCBs duly ISI marked of more than 9 KA breaking capacity.
9. For HSR item no.31.12 (D), 31.15 the make of enclosure will be same as that of MCB of standard size having thickness 1.6 mm and 1.2 mm in case of TPN and SPN enclosure respectively.
10. All MCCBs upto 220 Amp will have 25 KA minimum breaking capacity instead of 10 KA and above 220 amp. MCCBs will have 50 KA minimum breaking capacity. All MCCBs will have magnetic thermal release and rotary operating mechanism duly interlocked and only one make of MCCBs shall be used in whole work.
11. The thickness of M.S. Sheet of switch boxes should be of 16 gauges.
12. The fan boxes sheet should be 16 gauge and anodized.
13. The contractor shall install the material from the list of approved electrical material appended in the NIT. Material not covered in the list will be used as per HSR-1988, and PWD Specifications-1990.
14. The contractor must ensure preparation and submission of pipe diagram, wiring diagram, key diagram etc. as required vide PWD Specifications Chapter No. 31.6.
15. Where ISI recommends multi stranded conductor of cable, cable with multi- stranded conductor only will be used on work.

16. Rates should be quoted by the tenderer both in word and in figure, in case of any difference between the two, the rate in words shall be considered as final rate.
17. The rates of bus bar includes the cost of all Labour and material required to complete the job in all respect including thimbles etc. of the same material as that of bars. The support for bars will be made of porcelain.
18. The tenderer must either be 'A' Class Electrical Contractor enlisted with Haryana PW(B&R) Deptt. or he must sublet the electrical work to a sub contractor possessing the above qualification. The tenderer/Bidder for building/road/Bridge work will intimate name of agency from whom the firm will get E.I./Street Light work done. The electrical contractor should be enlisted in appropriate category with Haryana PWD B&R for electrical works. The above details are to be submitted along with the technical bid.
19. A sub contract agreement will be made with Executive Engineer, Electrical for Electrical part of the contract, in which all the terms and conditions of the main contract will become a part, Executive Engineer Electrical will operate this sub agreement with the Electrical contractor nominated by the bidder.
20. This sub agreement will be treated as in-dependent contract for all purposes such as execution, time extension, enhancement, approval, rate analysis, payment, penalties and deductions etc. as per the conditions of DNIT/Main agreement.
21. Payment, deduction, recoveries for electrical work etc. will be done to/from the electrical contractor (specified by Bidder) by XEN Electrical.
- Alongwith the technical bid for the work, the bidder will submit the following information:-**
1. Name of electrical contractor/firm.
  2. Detail of enlistment of electrical contractor with Haryana PWD B&R (attach copy of enlistment).
  3. Affidavit of consent of electrical contractor to carry out the work under sub contract/sub agreement (attach copy) as per Annexure AF-I.
  4. Affidavit of consent of the bidder of Executive Engineer Electrical to make payment/ deduction etc. for electrical work to the electrical sub contractor. (attach copy) as per Annexure AF-II.
22. The contractor must employ the following staff while carrying out work:-
- |   |  |
|---|--|
| i) When any work costing<br>More than Rs.50000/- to<br>Rs. 2 Lakhs is under execution | Diploma holder JE                        |
| ii) From 2 Lakhs up to 5 lakhs  | Diploma holder JE with 5 year experience |
| iii) Above 5 lace   | Degree holder Engineer                   |
23. The electrical part of bill of quantity of the agreement will be got executed by and under the supervision of Executive Engineer, Elect. CCSHAU, Hisar, and all the running payment of

electrical works will be made by him. However copy of final bill will be sent to Executive Engineer (Civil) to include in the final bill.

24. All the street light fittings, bulbs and cables will be got inspected by the contractor at the works/Godown of the manufacturer before installation at site. A certificate will also be produced/submitted by the contractor about the authenticity of purchase of above material from the authorized source.
25. Only HYLAM make ISI make (I.S.2036-1995) white Bakelite sheet will be used on the work.
26. The rates mentioned in the DNIT are for complete item including cost of all accessories, material, labour, tool plants, water electricity bills etc. Unless otherwise specified.
27. The minimum size of MS control switch boards for controlling one fan point and one light point shall not be less than 20cm x 25cm x 10cm.
28. The MS box for telephone, Intercom and Bell push shall be installed of size 100mm x 100mm x 60mm in place of 75mm x 75mm x 60mm.
29. The tender having ambiguous/confusing rates and conditions shall be summarily rejected.
30. The quantity/amount of NIT can be increased or decreased.
31. No Road cut charges shall be paid.
32. The contractor shall install two number check nuts and one No. PVC threaded Bush for each pipe in MS inspection boxes. The contractor shall also install PVC flanged bush in the junction boxes for each pipe.
33. "Labour cess and service tax as applicable from time to time will be deducted from the Gross amount of bill" of the contractor.
34. The contractor should quote the rates keeping in view above Conditions/specifications.
35. If the agency does not quote/fill the rate of any item then it will be considered as nil and the same item will be executed by the agency free of cost and it will be contingent to the work. The agency will have to give an undertaking on account of above otherwise earnest money will be forfeited. In addition to this Engineer-in-charge of work may also black list the agency.

Executive Engineer (E)  
CCSHAU, Hisar

AFFIDAVIT (from Bidder)

I \_\_\_\_\_s/o \_\_\_\_\_R/o \_\_\_\_\_

do hereby solemnly declare undertake and affirms as under:-

1. That I have been allotted \_\_\_\_\_ work by \_\_\_\_\_ vide No. \_\_\_\_\_ dated \_\_\_\_\_.
2. That I undertake to completely sublet and get the electrical part of the work done from M/s \_\_\_\_\_ who are enlisted contractor of PWD B&R Haryana vide No. \_\_\_\_\_ dated \_\_\_\_\_ of \_\_\_\_\_ in \_\_\_\_\_ category.
3. That all payment, deduction and penalties for electrical part of agreement may be made to M/s \_\_\_\_\_.
4. I undertake that M/s \_\_\_\_\_ are authorized on my behalf to enter in to independent agreement with Executive Engineer, Electrical \_\_\_\_\_ as per rates, terms & conditions of main agreement for this work.

**LIST OF APPROVED MAKES OF ELECTRICAL ACCESSORIES / ITEMS**

No.	Name of Items	Name of the Brand
1	<p>(A) Electrical accessories, Button Holder, Pendent Holder, Ceiling Rose, Bell push, Switches and sockets, Call bell/buzzer etc. (I.S.I. Marked).</p> <p>(B) Modular Accessories.</p>	<p>(A) Anchor (Penta), Ssk (Top Line), Precision,</p> <p>(B) Anchor (Wood), Abb (Classiq), Legrand (Mosaic), North West,</p> <p>(C) ORPIC</p>
2	Bakelite Sheet (Only White in colour)	Hylem, Greenlame (ISI marked)
3	MS Conduit Pipes (I.S.I. Marked)	BEC, NIC, BGI
4	PVC Wires Copper Conductor (I.S.I. Marked)	Grandlay, Havell's, Ecko, Polycab. R.R. Kabel, HPL, Standard
5	LT-PVC/ XLPE Underground cables with Aluminum Conductor (I.S.I. Marked)	All sizes:- CCI, Grandlay, Havell's, Plaza, Polycab, RR Kabel,.
6	<p>(i) HT-XLPE cables with aluminum Conductor (I.S.I. Marked)</p> <p>(ii) Arial Bunch cable/ACSR</p>	CCI, Gloster, Havell's, Grandlay, Incab, Plaza, (As approved by UHBVNL/DHBVNL)
7	PVC Conduit pipe with accessories and 6 Kg. Pressure PVC pipe and its accessories	AKG, Diplast, Kalinga, Polypack, Ravindra,
8	GI Pipe & M.S. Pipe (medium) (I.S.I. Marked)	Jindal, Parkash, Ravindra, Tata.
9	I.C. Switches/SFU/FSU/Changeover switch	<p><b>Category-A (All sizes):-</b> GE, L&amp;T, Siemens,</p> <p><b>Category-B (All sizes):</b> Havell's, SSK, C&amp;S, Standard, HPL,</p>
10	MCBs & Enclosure, ELCB/RCCB.	A) GE, Havell's, L&T, Legrand, Standard, Siemens, C&S, ABB, Schneider Electric, HPL, (Makes of enclosures shall be as per MCBs),
11	MCCBs & Enclosures	GE, Havell's, L&T, Siemens, Schneider Electric. ABB, C&S, Standard, Legrand.
12	<p>POLES</p> <p>i) M.S. Pole:-</p> <p>ii) G.I. Pole:-</p> <p>iii) High Mast :-</p> <p>iv) Decorative Poles:-</p>	<p>- Manufactured by any firm as per I.S.I. Marked sectional lengths strictly according to IS specifications.</p> <p>-Philips, Bajaj, Surya Roshni, Paruthi Engineers (PE), Volmont, GE India, Crompton Greaves, Skipper, Vipin S.T. Poles, UTKARSH</p> <p>- Philips, Bajaj, Volmont or Crompton Greaves,</p> <p>Twinkle, Mayfair &amp; Sumaglli</p>
13	PVC Casing & Trunking	AKG/MK
14	Ceiling Fans (Double ball Bearings)	Bajaj, Crompton, Khaitan, Orient, Usha.
15	Indoor light fittings	<p>A.) <b>LED:-</b> Bajaj, Crompton, GE, Philips, Wipro, Surya Roshni, HPL, Havell's, C&amp;S Electric, Polycab,</p> <p>B) <b>CFL:-</b> Bajaj, Crompton, GE, Philips, Wipro Halonix, Twinkle, Surya Roshni, HPL, Havells, C&amp;S electric,</p> <p>C) <b>T-5:-</b> Bajaj, Crompton, GE, Philips, Wipro, Surya Roshni, HPL, Havells, C&amp;S electric.</p>

16	Outdoor Street Light	A) <b>LED</b> :- Bajaj, Crompton, GE, Philips, Wipro, Surya Roshni, HPL, Havell's , C&S Electric, B) <b>CFL</b> :- Bajaj, Crompton, GE, Philips, Wipro, Surya Roshni, HPL, C&S Electric, C) <b>T-5</b> :- Bajaj, Crompton, GE, Philips, Wipro, Surya Roshni, HPL, C&S Electric.
17	Flood Light Fittings, Sodium/ M.H./LED	Bajaj, Crompton, GE, Philips, HPL, Havell's, C&S Electric, Surya
18	L.T. Panel/ Load Bank/APFC/Bus Bar Trunking (OEM or their TTA) (Applicable for Electrical works more than Rs. 50.00 lakhs and all sub stations works of 500 KVA and above)	Schneider, C&S, ABB, Siemens, Standard, Havell's, BCH, Nitya Electro control (NEC), L&T, AVON, Adhunik Indo Asian, Dhillon Fabricators and Engineers.
19	ACBs	GE, L&T, Siemens, Schneider Electric, ABB, C&S. Havell's, HPL
20	OCBs and VCBs	Alstom, Crompton, Siemens.
21	TRANSFORMERS	Alstom, Kirloskar, Crompton, ABB, Siemens,
22	GENERATORS :	<b>Engines:</b> Cummins, Greaves Cotton, Kirloskar, Ruston, (upto 125 KVA) <b>Alternators :</b> Crompton, Jyoti, Kirloskar, Stamford.
23	CSSU	Schneider Electric, ABB, Siemens, C&S

Executive Engineer (E)  
CCSHAU, Hisar

**Note:** The makes as approved by committee are listed in total as above:-  
The Executive Engineers should ensure that at least three makes & models Having **comparable specifications and net market rates** should be purposed in the nomenclature of items taken in Estimate/DNITs keeping in view the importance of building.

TECHNICAL CONDITION FOR P.H. ITEMS.

**P.H. Fixtures.**

1. The P.H. fixtures such as seats, urinals, Cistern, Sinks etc. shall be of reputed manufacturers such as Hindware, Periware etc. shall be used.
2. The G.I. pipe to be used of 'B' Class of reputed manufacturers such as Ravindra/Jindal/Parkash(Surya)/BST. The weight of pipe per meter shall be as per recommendation of the manufacturers.
3. The P.V.C. pipes shall be I.S.I. marked and reputed brand such as Finolex, Prince & Supreme etc.
4. The other fixture of C.P. brass as mentioned in the Schedule shall be I.S.I. marked or of reputed manufacturers such as Jaquar /Marc/Soma/Parko/Galaxy/Naico or equivalent duly approved by Engineer-In-Charge.
5. The item of H.C.I. as mentioned in the Schedule shall be as per Haryana P.W.D. Specification.
6. In this contract schedule of rates only essential portion of items has been written, for Public Health item, but it will deem to cover only the entire items as fully described in Haryana PWD Schedule of Rates - 1988.
7. The Engineer-in-Charge shall be entitled to order against any item of work shown in this contract schedule of rates here-in-after called the "Schedule" to any extent and without any limitation what-so-ever required in his opinion for the purpose of work irrespective of the fact that the quantities are omitted altogether in the schedule to be carried out.
8. G.I. specials of Unik/Unco make shall be used.
9. HCI pipes and specials shall be ISI mark.
10. Bevelled edge mirror of Indian make Atul/Modi/Saint Gobin shall be used.
11. Plastic cover with lid (only solid drawn back) of bestolite/leader ISI mark shall be used.

Executive Engineer (P.H.)

CCSHAU, Hisar

### **Conditions for Public Health Works**

1. The work will be carried out strictly in accordance with the PWD Book of specification addition 1990, which will form a part and parcel of this contract agreement.
2. In this contract schedule of rates only essential portion of item has been written, but it will deem to cover the entire items as fully descry bed in Haryana PWD schedule of rates-1988.
3. The Engineer-in-Charge-in-charge shall be entitled to order work against any item of work shown in this contract schedule of rates hereinafter called the schedule, to any extent and without any limitation where ever as may be required in his opinion for the purpose of work, Irrespective of the fact that the quantities are omitted all together in the schedule or are shown more or less than the work ordered to be carried out.
4. The rate for any item of work not provided in the Haryana PWD schedule of rates 1988 but executed at site will be decided by the competent authority and the decision will be binding upon the contractor.
5. All the items in this contract schedule or rates are subject to the footnotes given in the Haryana PWD schedule or rates of rates 1988 regarding these items.
6. Approximate quantities are given in this contract schedule of rates and may vary at the time of execution of works. The payment will however be made for the actual work done by the contractor. No extra claims whatsoever will be admissible to the contractor on account of v variation alternation or deletion of any items over the quantities depicted in this contract schedule of rates.
7. All amendments issued on the Haryana PWD Schedule of Rates-1988 upto the date of opening of tenders will be applicable on the contract schedule of rates.
8. The contractor will have to make his own arrangement of bricks.
9. **Deleted.**
10. No claim will be entertained from the contractor in case of any omission in description rates or unit which might have occurred in any of these items taken in this schedule while comparing this schedule or on account of typing comparison or overwriting in case of any error the same shall be rectifiable at any stage as per Haryana PWD schedule of rates 1988 alongwith the amendments on the same received from time to time.
11. **Deleted.**
12. **Deleted.**
13. No. premium shall be payable on the allotted rates of NS items by the competent authority.
14. Inspection of SW pipe & RCC NP3 pipe will be carried out by the Engineer-in-Charge-in-Charge or his representative before the same are brought at site for use & SW pipe & RCC NP3 pipe will be confirming to all the tests including optional test as per IS 651-1992 for SW pipe and 458-1988 for RCC NP3 pipe with upto date amendment.

15. The measurement of SW pipe & RCC NP3 pipe sewer provided on through rate basis will be done by at least 2 No J.Es to be nominated by Engineer-in-Charge.
16. Each manhole cover and frame shall have the trade mark of manufacturer month and year alongwith class and work and shall be ISI mark.
17. All taxes such as royalty municipal tax octori charges and any other kind of taxes shall be paid by the contractor and are included in the rate quoted by the contractor separately for which no premium will be allowed.
18. As and when contractor gives condition that arrangement of water shall made by the department, it shall be deemed that all the charges incurred thereon shall be borne by the department and recovery on the total work done shall be made from him.
19. Rate to be quoted by the contractor for each N.S item for complete Job including all taxes, carriage etc. Nothing extra on any account shall be paid.
20. Payment will be made according to the actual work done by the contractor.

**FORM OF BID**

**FORM OF BID**

Description of the Works: Conversion of existing lecture hall into Technology Information Unit in the premises of office building (1st floor) at KVK, Damla (Yamunanagar) (including PH & EI works)

To \_\_\_\_\_ :

Address \_\_\_\_\_ :

1. We offer to execute the Works described above and remedy any defects therein in conformity with the conditions of Contract, specification, drawings, Bill of Quantities and Addenda for the sum(s) of \_\_\_\_\_

( \_\_\_\_\_ )

2. We undertake, if our Bid is accepted, to commence the Works as soon as is reasonably possible after the receipt of the Engineer-in-Charge’s notice to commence, and to complete the whole of the Works comprised in the Contract within the time stated in the document.

3. We agree to abide by this Bid for the period of \* \_\_\_\_\_ days from the date fixed for receiving the same, and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

4. Unless and until a formal Agreement is prepared and executed this Bid, together with your written acceptance thereof, shall constitute a binding contract between us.

5. We understand that you are not bound to accept the lowest or any tender you may receive.

Dated this \_\_\_\_\_ day of \_\_\_\_\_ 20.....

Signature \_\_\_\_\_ in the capacity of \_\_\_\_\_ duly authorized to sign bids for and on behalf of \_\_\_\_\_

(in block capitals or types)

## **SECTION-7**

# **BILL OF QUANTITIES**

## Bill of Quantity

**DNIT for conversion of existing lecture hall into Technology Information Unit in the premises of office building (1st floor) at KVK, Damla (Yamunanagar) (including PH & EI works).**

**Approximate Cost of Civil work : Rs. 3.25 lakh**  
**Approximate Cost of PH work : Rs. 1.60 lakh**  
**Approximate cost of EI work : Rs. 0.75 lakh**  
**Total approximate cost of work : Rs. 5.60 lakh**

**Earnest Money**  
**For contractor : Rs. 11200/-**  
**For L/C Society : Rs. 5600/-**  
**Time Limit : Three months**

Sr. No.	Description	Quantity	Unit	Ratets to be quoted by the agency	
				In figures	In words
1	Dismantling brick work, tile masonry or tile lining and tile terracing. (HSR 8.5[b]) (b) in cement <b>(first floor)</b>	8	Cubic metre		
2	Dismantling concrete. (HSR 8.6[e]) (e) reinforced cement concrete with cleaning and straightening and cutting of bars if required <b>(First floor)</b>	0.3	Cubic metre		
3	Dismantling roofing. (HSR 8.8[g]) (g) demolishing mud phaska in tile terracing <b>(first floor)</b>	2.85	Cubic metre		
4	Cement concrete 1:2:4 with stone aggregate 20 mm nominal size in first storey upto 4 metres above plinth level. (HSR 10.59) <b>(first floor)</b>	0.06	Cubic metre		
5	Cement concrete 1:2:4 with stone aggregate 20mm nominal size for reinforced concrete work in slabs with inclination not exceeding 25 degree with horizontal, excluding steel reinforcement , but including centring and shuttering, laid in position , complete in all respects. (HSR 10.82) <b>(first floor)</b>	4.85	Cubic metre		
6	Cement concrete 1:2:4 with stone aggregate 20 mm nominal size for reinforced concrete work for walls exceeding 20 cm thickness (straight and curved) beams, girders, stairs, columns,(square or rectangular) battens and lintels etc., excluding steel reinforcement but including centring and shuttering, laid in position, complete in all respects. (HSR 10.86) <b>(first floor)</b>	1.2	Cubic metre		
7	Extra over item Nos. 10.79 to 10.94 , if 1:1.5:3 mix is used, instead of 1:2:4. (HSR 10.95[a])	6.05	Cubic metre		

8 (i)	First class brick work laid in cement sand mortar 1:6 in first storey upto 4 metres above plinth level. (HSR 11.7) First floor	10	Cubic metre		
(ii)	Second floor	2.35	Cubic metre		
9	Providing 5.72 cm brick dalli facing with brick size 22.86 cm X 11.43 cm X 5.72 cm thick to be obtained after cutting of bricks laid in cement sand mortar 1:3 on RCC lintels, beams fascia etc. including centering and shuttering complete. (HSR 11.98)	1.65	Square metre		
10	Terracing consisting of tiles 22.86 cm X 11.43 cm X 3.81 cm laid over 87.50 mm mud filling on a layer of 25 mm mud plaster and another layer of mud mortar for laying the tiles, including two coats of bitumen laid hot at 1.65 kg per sqm on top of R.C.C slab including grouting with cement sand mortar 1:3 and top surface to be left clean etc. (HSR 13.13) <b>(Second floor)</b>	26	Square metre		
11	Providing and fixing cast iron rain water non pressure pipe, I.S.I. mark with ears with screw and wooden plugs fixed on wall face including filling joints with spun-yarn and cement mortar 1:2 excluding head and shoe, etc. (HSR 13.45[a]) (a) 100 mm dia pipe	7.6	Metre		
12	Extra over rate of item nos. 13.43 and 13.45(a) in case lead joints are used instead of cement joints. (HSR 13.46[a])	4	Each		
13	Providing and fixing C.I. plain bends in position with gutter, etc. (HSR 13.49[a]) (b) for 100 mm dia pipe	1	Each		
14	Top khurra 0.6 m X 0.6 m for rain water pipe in 25 mm thick cement concrete 1:2:4 over 50 mm thick cement concrete 1:8:16. (HSR 13.50)	1	Each		
15	Bottom khurra on ground 1.2 m X 0.6 m consisting of brick-on-edge laid in cement mortar 1:3 over 75 mm cement concrete 1:8:16 including 12 mm thick cement plaster 1:3. (HSR 13.57)	1	Each		
16	Cement concrete 1:2:4 gola 10 cm X 10 cm quadrant along junction of roof with parapet wall finished smooth, where specially specified. (HSR 13.64)	14.65	Metre		
17	Screed of 50 mm thick cement concrete 1:8:16 to be laid below the topping. (HSR 14.4) <b>(first floor)</b>	28	Squaremetre		

18	Providing and fixing vitrified tiles of size 600 x 600 mm of approved make in flooring laid in any patterns as specified over base of 20 mm thick cement coarse sand mortar 1:3 and jointed with white cement slurry mixed with pigment to match the shade to tiles (HSR 14.89) (Note : i. Tile shall be premium quality (first quality) of reputed manufacturer like NITCO, KAJARIA, SOMANI, ORIENT, JOHNSONS & RAK). ii. Tiles shall be fixed by using PVC spacers of required size and the space between tiles shall be filled up with cement based grout of approved make & colour. Nothing extra shall be paid for this.	28	Square metre		
19	Providing and fixing vitrified tiles of size 600 x 600 mm of approved make in skirting / dado laid in any pattern as specified over base of 12 mm thick cement coarse sand mortar 1:3 and jointed with white cement slurry mixed with pigment to match the shade to tiles. (HSR 14.90) Note : i. Tile shall be of premium quality (first quality) of reputed manufacturer like NITCO, KAJARIA, SOMANI, ORIENT, JOHNSONS & RAK ii. Tiles shall be fixed by using PVC spacers of required size and the space between tiles shall be filled up with cement based grout of approved make & colour. Nothing extra shall be paid for this.	1.6	Square metre		
20	Providing and fixing false ceiling with 12 mm thick Gypsum Board fixed on M.S. steel runners frame including cost of screws angles, cleats, rawel plugs with taping, filling with Gypsum compound and applying priming coat etc. complete in all respects. (HSR 13.91)	22	Square metre		
21	Providing and fixing false ceiling with grooves with 12 mm to 15 mm thick, 600 mm x 600 mm best quality mineral fiber tiles of approved make fixed on M.S. steel runners frame including cost of screws angles, cleats, rawel plugs with taping and painting etc., complete in all respects as approved by the Engineer-in-Charge. (HSR 13.93)	52	Square metre		
22	12 mm thick cement plaster 1:6 on walls . (HSR 15.7) <b>(first floor)</b>	20.4	Square metre		
23	15 mm thick cement plaster 1:6 on the rough side of single or half brick wall. (HSR 15.12) <b>(First floor)</b>	40	Square metre		
24	10 mm thick cement plaster 1:4 on underside of ceiling. (HSR 15.52) <b>(First floor)</b>	29	Squaremetre		
25	Striking joints in lime or cement on brick and tile walls. (HSR 15.69[a])	53	Square metre		

26	Cement pointing 1:2 flush on flat brick flooring. (HSR 15.71) (Second floor)	26	Square metre		
27	Preparation of ply wood surface for painting including sand papering the surface and applying filling with approved quality filler consisting of white lead , linseed oil, varnish and chalk mitti including finishing the surface to required finish complete. (HSR 16.1)	6.8	Square metre		
28	Applying pink primer or aluminium priming coat on wood work including preparation of surface, knotting and stopping, etc. (HSR 16.2)	6.8	Square metre		
29	Painting two coats excluding priming coat with synthetic enamel paint in all shades on new wood work or metallic or plastered or concrete surfaces to give an even shade. (HSR 16.3)	10.66	Square metre		
30	Applying priming coat with metal primer on new steel or iron work including preparation of surface. (HSR 16.9)	3.8	Square metre		
31	Applying priming coat with cement primer in all shades on newly plastered or concrete exterior surfaces. (HSR 16.25)	197	Square metre		
32	Distempering with washable oil bound distemper (of approved manufacture) two coats excluding priming coat on new work. (HSR 16.57)	197	Square metre		
33	Providing and applying two coats of white cement based putty over plastered surface and grinding the surface smooth with sand paper to get an even and smooth finish including cost and carriage of all material, labour charges, scaffolding, sundries etc., complete (J.K/ Birla make). (HSR 16.81)	123	Square metre		
34	Providing and fixing 35 mm thick glazed door and windows shutters of commercial hard wood such as hollock, champ, chikrassy and chaplash, etc. ( non-coniferous timber other than teak confirming to I.S. specifications No. 1003 kiln seasoned), with vertical styles and rails, as specified in the statement no.1 (attached in the end of this chapter), with glass panes of 4 mm thickness , tongued and grooved including the cost of iron hinges , screws, chocks/cleats, stops , etc., complete fixed in position excluding the cost of tower bolt and handles but including the labour for fixing the same. (HSR 17.30[a] + 17.24[c])(a) 35 mm thick ( 4 mm thick glass panes)	0.65	Squaremetre		

35	Providing and fixing sliding bolt with nuts and screws, etc., complete- (HSR 17.83[b][ii]) (b) aluminium (ii) size 250 mm X 16 mm	1	Each		
36	Factory manufactured solid flush door shutters, with block board core as per I.S. No. 1659-1969 bonded with water proof type phenol formaldehyde synthetic resin, hot-pressed, conforming to I.S. 2202 part I and II, fixed in position, including iron hinges, screws, chocks/cleats and stops, etc., (excluding the cost of any fittings other than specified above, but including labour for fixing the same in position)- (b) commercial veneering with vertical grains or cross bands and face veneer on both sides commercial facing with laminated core and lipped edges :- (HSR 17.93[a][iii]) (iii) 35 mm thick	3	Square metre		
37	Wrought iron and mild steel (using angles, flats square bars, tees and channels) ladders, grills, grating frames, window guards, iron door openable or fixed stair case or parapet or any other type of railing, gates and tree guards etc., including cost of screws and welding rods or bolts and nuts complete fixed in position. (HSR 18.12)	0.55	Qtl.		
38	Fe-500 D TMT steel bars for R.C.C., works, where not included in the complete rate of R.C.C., including bending, binding and placing in position complete. (HSR 18.22)	7	Qtl.		
39	Supplying openable steel doors and windows, of standard steel sections, joints mitred and electrically flash welded including provision for arrangement of receiving handles, peg stay, catcher will also be welded with the frame and providing and fixing pressed steel projected hinges, iron lugs, glazing clips (excluding wooden shutters, glazing and fittings such as handles, peg stay and catcher etc.) and finished with one coat of ready mixed red lead non setting primer. (HSR 18.24)	16	Kg.		
40	Supplying and fixing glass panes including special metal sash putty of approved make (HSR 18.30[b]) (b) glass panes 4 mm thick, exceeding 40 sq dm areas	3.75	Square metre		

41	Pressed steel sheet frames (chowkhats), consisting of 2.00 mm thick steel sheet of the specified section, including iron lugs (hold fasts, iron hinges, confirming to PWD specifications, including bolts for fixing stops, locknotch, provision for receiving tower bolts, and finished with one coat of ready mixed paint red led non-setting primer of approved quality, fixed in position including the cost of cement concrete 1:3:6 for filling in the frame, and cement concrete 1:3:6 for lugs, complete:- (HSR 18.34[b]) b. door and window frame of size 76mmx 38mm with 35mm wide single rebate.	23	Metre		
42	Providing and fixing vitrified tiles of size 600 mm x 600 mm of approved make in flooring, laid in any pattern as specified over base of adhesive of reputed brands such as Pidilite, Laticrete, Ferrouscrete & Valendure as per IS specification 15477-2004 and jointed with white cement slurry mixed with pigment to match the shade of tiles. (NS) Notes: i. Tile shall be premium quality (first quality) of reputed manufacturer like NITCO, KAJARIA, SOMANI, JOHNSONS & RAK. ii. Tiles shall be fixed by using PVC spacers of required size and the space between tiles shall be filled up with cement based grout of approved make & colour. Nothing extra shall be paid for this	54	Square metre		
43	Providing and fixing vitrified tiles of size 600 x 600 mm of approved make in skirting / dado laid in any pattern as specified over base of 12 mm thick cement coarse sand mortar 1:3 and jointed with white cement slurry mixed with pigment to match the shade to tiles (NS)Note : i. Tile shall be of premium quality (first quality of reputed manufacturer like NITCO, KAJARIA, SOMANI, ORIENT, JOHNSONS & RAKii. Tiles shall be fixed by using PVC spacers of required size and the space between tiles shall be filled up with cement based grout of approved make & colour. Nothing extra shall be paid for this	3	Squaremetre		
44	Providing and fixing C.I. grating over 100 mm dia rain water pipe, fixed in position, complete in all respects. (NS)	1	Each		
45	Providing and fixing 100 mm wide vertical Venetian blinds of required size and shape (Vista make select range), fixed in position including rawl plugs and screws, etc., complete in all respects as per drawing and design. (NS)	18.6	Square metre

**BILL OF QUANTITIES****Preamble**

1. The Bill of Quantities shall be read in conjunction with the Instructions to Bidders, Conditions of Contract, Technical Specifications and Drawings.
2. The quantities given in the Bill of Quantities are estimated and provisional, and are given to provide a common basis for bidding. The basis of payment will be the actual quantities of work ordered and carried out, as measured by the Contractor and verified by the Engineer-in-Charge and valued at the rates and prices tendered in the priced Bill of Quantities, where applicable, and otherwise at such rates and prices as the Engineer-in-Charge may fix within the terms of the Contract.
3. The rates and prices tendered in the priced Bill of Quantities shall, except in so far as it is otherwise provided under the Contract, include all constructional plant, labour, supervision, materials, erection, maintenance, insurance, profit, taxes cess and duties, together with all general risks, liabilities and obligations set out or implied in the Contract.
4. The rates and prices shall be quoted entirely in Indian Currency.
5. The cost of Items against which the Contractor has failed to enter a rate or price shall be deemed to be covered by other rates and prices entered in the Bill of Quantities.
6. The whole cost of complying with the provisions of the Contract shall be included in the items provided in the priced Bill of Quantities, and where no Items are provided the cost shall be deemed to be distributed among the rates and prices entered for the related Items of Work.
7. General directions and descriptions of work and materials are not necessarily repeated or summarized in the Bill of Quantities. References to the relevant sections of the contract documentation shall be made before entering rates or prices against each item in the Bill of Quantities.
8. The method of measurement of completed work for payment shall be in accordance with the specification of Haryana PWD (B&R)
9. Errors will be corrected by the Employer for any arithmetic errors pursuant to Clause 29 of the Instructions to Bidders.
10. Rock is defined as all materials which, in the opinion of the Engineer-in-Charge, require blasting, or the use of metal wedges and sledgehammers, or the use of compressed air drilling for its removal, and which cannot be extracted by ripping with a tractor of at least 150 kw with a single rear mounted heavy duty ripper.

## **SECTION-8**

# **SECURITIES AND OTHER FORMS**

### **BID SECURITY (BANK GUARANTEE)**

WHEREAS, \_\_\_\_\_ [name of Bidder] (hereinafter called "the Bidder") has submitted his Bid dated \_\_\_\_\_ [date] for the construction of \_\_\_\_\_ [name of Contract hereinafter called "the Bid"].

KNOW ALL PEOPLE by these presents that We \_\_\_\_\_ [name of Bank] of \_\_\_\_\_ [name of country] having our registered office at \_\_\_\_\_ (hereinafter called "the Bank") are bound unto \_\_\_\_\_ [name of Employer] (hereinafter called "the Employer") in the sum of \_\_\_\_\_\* for which payment well and truly to be made to the said Employer the Bank itself, his successors and assigns by these presents.

SEALED with the Common Seal of the said Bank this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

THE CONDITIONS of this obligation are :

- (1) If after Bid opening the Bidder withdraws his bid during the period of Bid validity specified in the Form of Bid;
- OR**
- (2) If the Bidder having been notified to the acceptance of his bid by the Employer during the period of Bid validity :
    - (a) fails or refuses to execute the Form of Agreement in accordance with the Instructions to Bidders, if required; or
    - (b) fails or refuses to furnish the Performance Security, in accordance with the Instructions to Bidders;
    - (c) does not accept the correction of the Bid Price pursuant to Clause 27.

We undertake to pay to the Employer up to the above amount upon receipt of his first written demand, without the Employer having to substantiate his demand, provided that in his demand the Employer will note that the amount claimed by him is due to him owing to the occurrence of one or any of the three conditions, specifying the occurred condition or conditions.

This Guarantee will remain in force up to and including the date \_\_\_\_\_\*\* days after the deadline for submission of Bids as such deadline for submission of Bids as such deadline is stated in the Instructions to Bidders or as it may be extended by the Employer, notice of which extension(s) to the Bank is hereby waived. Any demand in respect of this guarantee should reach the Bank not later than the above date.

DATE \_\_\_\_\_ SIGNATURE \_\_\_\_\_

WITNESS \_\_\_\_\_ SEAL \_\_\_\_\_

\_\_\_\_\_  
[Signature, name and address]

\* The Bidder should insert the amount of the guarantee in words and figures denominated in Indian Rupees. This figure should be the same as shown in Clause 16.1 of the Instructions to Bidders.

\*\* 45 days after the end of the validity period of the Bid. Date should be inserted by the Employer before the Bidding documents are issued.

**PERFORMANCE BANK GUARANTEE**

To

\_\_\_\_\_ [name of Employer]  
 \_\_\_\_\_ [address of Employer]  
 \_\_\_\_\_

WHEREAS \_\_\_\_\_ [name and address of Contractor] (hereafter called "the Contractor") has undertaken, in pursuance of Contract No. \_\_\_\_\_ dated \_\_\_\_\_ to execute \_\_\_\_\_ [name of Contract and brief description of Works] (hereinafter called "the Contract").

AND WHEREAS it has been stipulated by you in the said Contract that the Contractor shall furnish you with a Bank Guarantee by a recognized bank for the sum specified therein as security for compliance with his obligation in accordance with the Contract;

**AND WHEREAS** we have agreed to give the Contractor such a Bank Guarantee:

NOW THEREFORE we hereby affirm that we are the Guarantor and responsible to you on behalf of the Contractor, up to a total of \_\_\_\_\_ [amount of guarantee]\* \_\_\_\_\_ (in words), such sum being payable in the types and proportions of currencies in which the Contract Price is payable, and we undertake to pay you, upon your first written demand and without cavil or argument, any sum or sums within the limits of \_\_\_\_\_ [amount of guarantee] as aforesaid without your needing to prove or to show grounds or reasons for your demand for the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the contractor before presenting us with the demand.

We further agree that no change or addition to or other modification of the terms of the Contract or of the Works to be performed thereunder or of any of the Contract documents which may be made between your and the Contractor shall in any way release us from any liability under this guarantee, and we hereby waive notice of any such change, addition or modification.

This guarantee shall be valid until 28 days from the date of expiry of the Defect Liability Period.

Signature and Seal of the guarantor \_\_\_\_\_  
 Name of Bank \_\_\_\_\_

\* An amount shall be inserted by the Guarantor, representing the percentage the Contract Price specified in the Contract including additional security for unbalanced Bids, if any and denominated in Indian Rupees.

**BANK GUARANTEE FOR ADVANCE PAYMENT**

To

\_\_\_\_\_ [name of Employer]  
 \_\_\_\_\_ [address of Employer]  
 \_\_\_\_\_ [name of Contractor]

Gentlemen :

In accordance with the provisions of the Conditions of Contract, sub-clause 51.1 (“Advance Payment”) of the above-mentioned Contract, \_\_\_\_\_ [name and address of Contractor] (hereinafter called “the Contractor”) shall deposit with \_\_\_\_\_ [name of Employer] a bank guarantee to guarantee his proper and faithful performance under the said Clause of the Contract in an amount of \_\_\_\_\_ [amount of Guarantee]\* \_\_\_\_\_ [in words].

We, the \_\_\_\_\_ [bank of financial institution], as instructed by the Contractor, agree unconditionally and irrevocably to guarantee as primary obligator and not as Surety merely, the payment to \_\_\_\_\_ [name of Employer] on his first demand without whatsoever right of obligation on our part and without his first claim to the Contractor, in the amount not exceeding \_\_\_\_\_ [amount of guarantee]\* \_\_\_\_\_ [in words].

We further agree that no change or addition to or other modification of terms of the Contractor or Works to be performed thereunder or of any of the Contract documents which may be made between \_\_\_\_\_ [name of Employer] and the Contractor, shall in any way release us from any liability under this guarantee, and we hereby waive notice of any such change, addition or modification.

This guarantee shall remain valid and in full effect from the date of the advance payment under the Contract until \_\_\_\_\_ [name of Employer] receives full repayment of the same amount from the Contractor.

Yours truly,

Signature and Seal of the guarantor \_\_\_\_\_

 Date \_\_\_\_\_

---

\* An amount shall be inserted by the Bank or Financial Institution representing the amount of the Advance Payment, and denominated in Indian Rupees.

**INDENTURE FOR SECURED ADVANCES  
FORM 31**

(for use in cases in which the contract is for finished work and the contractor has entered into an agreement for the execution of a certain specified quantity of work in a given time).

This indenture made the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_ BETWEEN \_\_\_\_\_ (hereinafter called the contractor which expression shall where the context so admits or implies be deemed to include his executors, administrators and assigns) or the one part and the Employer of the other part.

Whereas by an agreement dated \_\_\_\_\_ (hereinafter called the said agreement) the contractor has agreed.

AND WHEREAS the contractor has applied to the Employer that he may be allowed advanced on the security of materials absolutely belonging to him and brought by him to the site of the works the subject of the said agreement for use in the constructions of such of the works as he has undertaken to executive at rates fixed for the finished work (inclusive of the cost of materials and labour and other charges).

AND WHEREAS the Employer has agreed to advance to the Contractor the sum of Rupees \_\_\_\_\_ on the security of materials the quantities and other particulars of which are detailed in Accounts of Secured Advances attached to the Running Account bill for the said works signed by the Contractor on \_\_\_\_\_ and the Employer has reserved to himself the option of making any further advance or advances on the security of other materials brought by the Contractor to the site of the said works.

Now THIS INDENTURE WITNESSETH that in pursuance of the said agreement and in consideration of the sum of Rupees \_\_\_\_\_ on or before the execution of these presents paid to the Contractor by the Employer (the receipt where of the Contractor doth hereby acknowledge) and of such further advances (if any) as may be made to him as a for said the Contractor doth hereby covenant and agree with the President and declare as follows:

- (1) That the said sum of Rupees \_\_\_\_\_ so advanced by the Employer to the Contractor as aforesaid and all or any further sum of sums advanced as aforesaid shall be employed by the Contractor in or towards expending the execution of the said works and for no other purpose whatsoever.
- (2) That the materials details in the said Account of Secured Advances which have been offered to an accepted by the Employer as security are absolutely the Contractor's own propriety and free from encumbrances of any kind and the contractor will not make any application for or receive a further advance on the security of materials which are not absolutely his own property and free from encumbrances of any kind and the Contractor indemnified the Employer against all claims to any materials in respect of which an advance has be made to him as aforesaid.
- (3) That the materials detailed in the said account of Secured Advances and all other materials on the security of which any further advance or advances may hereafter be made as aforesaid (hereafter called the said materials) shall be used by the Contractor solely in the execution of the said works in accordance with the directions of the Engineer-in-Charge.
- (4) That the Contractor shall make at his own cost all necessary and adequate arrangements for the proper watch, safe custody and protection against all risks of the said materials and that until used in construction as aforesaid the said materials shall remain at the site of the said works in the Contractor's custody and on his own responsibility and shall at all times be open to inspection by the Engineer-in-Charge or any officer authorized by him. In the event of the said materials or any part thereof being stolen, destroyed or damaged or becoming deteriorated in a greater degree than is due to reasonable use and wear thereof the Contractor will forthwith

replace the same with other materials of like quality or repair and make good the same required by the Engineer-in-Charge.

- (5) That the said materials shall not be any account be removed from the site of the said works except with the written permission of the Engineer-in-Charge or an officer authorized by him on that behalf.
- (6) That the advances shall be repayable in full when or before the Contractor receives payment from the Employer of the price payable to him for the said works under the terms and provisions of the said agreement. Provided that if any intermediate payments are made to the Contractor on account of work done than on the occasion of each such payment the Employer will be at liberty to make a recovery from the Contractor's bill for such payment by deducting there from the value of the said materials than actually used in the construction and in respect of which recovery has not been made previously, the value for this purpose being determined in respect of each description of materials at the rates at which the amounts of the advances made under these presents were calculated.
- (7) That if the Contractor shall at any time make any default in the performance or observance in any respect of any of the terms and provisions of the said agreement or of these presents the total amount of the advance or advances that may still be owing of the Employer shall immediately on the happening of such default be repayable by the Contractor to be the Employer together with interest thereon at twelve per cent per annum from the date or respective dates of such advance or advances to the date of repayment and with all costs, charges, damages and expenses incurred by the **Employer** in or for the recovery thereof or the enforcement of this security or otherwise by reason of the default of the Contractor and the Contractor hereby covenants and agrees with the **Employer** to reply and pay the same respectively to him accordingly.
- (8) That the Contractor hereby charges all the said materials with the repayment to the Employer of the said sum of Rupees \_\_\_\_\_ and any further sum of sums advanced as aforesaid and all costs, charges, damages and expenses payable under these presents PROVIDED ALWAYS and it is hereby agreed and declared that notwithstanding anything in the said agreement and without prejudice to the power contained therein if and whenever the covenant for payment and repayment here-in-before contained shall become enforceable and the money owing shall not be paid in accordance there with the **Employer** may at any time thereafter adopt all or any of the following courses as he may deem best :
  - (a) Seize and utilize the said materials or any part thereof in the completion of the said works on behalf of the contractor in accordance with the provisions in that behalf contained in the said agreement debiting the contractor with the actual cost of effecting such completion and the amount due to the contractor with the value of work done as if he had carried it out in accordance with the said agreement and at the rates thereby provided. If the balance is against the contractor, he is to pay same to the **Employer** on demand.
  - (b) Remove and sell by public auction the seized materials or any part thereof and out of the moneys arising from the sale retain all the sums aforesaid repayable or payable to the **Employer** under these presents and pay over the surplus (if any) to the Contractor.
  - (c) Deduct all or any part of the moneys owing out of the security deposit or any sum due to the Contractor under the said agreement.
- (9) That except in the event of such default on the part of the contractor as aforesaid interest on the said advance shall not be payable.
- (10) That in the event of any conflict between the provisions of these presents and the said agreement the provisions of these presents shall prevail and in the event of any dispute or difference arising over the construction or effect of these presents the settlement of which has not been here-in-before expressly provided for the same shall be referred to the Employer whose decision shall be final and the provision of the Indian Arbitration Act for the time being in force shall apply to any such reference.

# **SECTION-9**

# **DRAWINGS**

Drawings can be seen in the office of in the office of Executive Engineer (C.II), CCSHAU, Hisar.

**ADDITIONAL CONDITIONS OF THE CONTRACT**

1. Item for which no rate or price have been entered in, will not be paid for by the employer when executed and shall be deemed covered by the other rates and prices in the bill quantities (Refer: ITB Clause 13.2 and conditions of contract Clause 43.3).
2. Units rate and prices shall be quoted by the bidder in Indian Rupee (ITB Clause 14.1).
3. Where there is a discrepancy between unit rate and the line item total resulting from multiplying the unit rate by quantity, the unit rate quoted shall govern (ITB clause 27.1(b)).
4. The agency to whom the work is allotted will have to produce original voucher for all quantities in lieu of purchase of bitumen, steel, cement, tiles, factory manufactured door window, flush door shutters, Aluminium and sanitary fittings from the original manufacture or the authorized dealer/distributors to the satisfaction of the Engineer-in-Charge for ascertaining the genuineness of material. Attested copy of such voucher will have to be submitted along with the bills. The warranty for the material such as factory manufactured door & window flush door shutters should be submitted in the name of client/department. No payment should be released to the agency without original vouchers and proper warranties.
5. **The documentary proof of procurement of cement & steel from the reputed source and test result from CRRRI or Sri Ram Test House, New Delhi or NIT Kurukshetra will be produced by the agency.**

**QUALITY CONTROL LAB:**

7. The contractor shall have to provide a field laboratory fully equipped at work site before starting the execution of works for conducting all the relevant tests mentioned in the Haryana PWD specification subject to the approval of the Engineer-in-Charge or his representative. The record of such tests is to be maintained in proper register duly signed by the Contractor or his representatives, which will become the property of the department. The Contractor will bear all the running expenses for conducting such tests. All the tests will be carried in the presence of S.D.E.-in-charge of the work. All the entries are to be signed by the contractor, S.D.E. and J.E.-in-charge.
8. The quality control tests which are carried out by the department and the material for such tests will be supplied by the contractor free of cost. In case the material is not found up to the requirement, the same will be rejected.
9. Contractor shall provide suitable measuring arrangement and leveling instruments latest quality duly approved by Engineer-in-Charge at the site of work.
10. No extra payment on account of quality control measures shall be paid to the contractor.
11. The Engineer-in-Charge at his discretion can get any type/Nos. of tests carried out from any other approved laboratory for his satisfaction for which all the expenses incurred would be borne by the agency. The results so obtained from the laboratory would be acceptable and binding to the agency.
12. The Contractor shall be required to provide all such materials/equipment's at site to conduct field tests and to ensure that the quality of aggregate shall be according to the prescribed specification and no payment for material required for sample for such tests shall be made to him. In case, the material is not found up to mark, the same will be reject.

13. For cement, steel and similar other material, the essential tests are to be carried out at the manufacturer's plants or at laboratories other than the site laboratory, the cost of samples, testing and furnishing of test certificates shall be borne by the contractor. He shall also furnish the test certificates to the Engineer-in-Charge.

Ex. Engineer-in-Charge.

13. 14.

14. Tenderers are advised to visit the site sufficiently in advance of the date fixed for submission of the tender. A tenderer shall be deemed to have full knowledge of all the relevant document/samples and site etc. whether he inspects them or not.
15. The acceptance of the tender will rest with the Employer who does not bind himself to accept the lowest tender and reserves to himself the authority to reject any or all the tenders received without assigning any reasons.
16. **Deleted.**
17. **Deleted.**
18. The liquidated damages can be deferred/reduced/waived (whole or part) by the E.O.-cum-S.E. CCSHAU, Hisar for contract(s) upto any amount. This will be done on the written request of the contractor and written recommendations of EE/SE as the case may be.
19. Upon completion and before offering the work for acceptance, the contractor shall remove all false work, excavated and useless materials, rubbish, temporary building constructed by him and shall leave the site and adjacent area in a neat and clean condition to the entire satisfaction of the Engineer-in-Charge. The Engineer-in-Charge, reserves the option to take away any item of work or any part thereof at any time during the currency of the contract and reallocate it to any other agency with due notice to the contractor without liability of any kind or payment of any compensation. Extra amount if incurred will be recovered from the agency.

20. The contractor has to make his own arrangements for water, bricks, wood and every item required directly or indirectly for completion of work.
21. No claim shall be entertained on account of increase in price of labour and material due to any cause whatsoever.
22. In case of emergency the Contractor shall be required to pay his labour every day and if this is not done, the Engineer-In-Charge will make the requisite payment and recover the same from the contractor.
23. Actual quantities of completed and accepted work shall only be paid.
24. No pits shall be dug by the contractor near the site of work or within Govt. land for taking out earth for use on the works. In case of default the pits so dug will be filled in by the department at the cost of the contractor plus fourteen percent departmental charges.
25. The rates to be quoted by the contractor shall be inclusive of octroi terminal tax, royalty, cess and all other taxes and charges. These are for complete work in all respects
26. The Contractor shall not be entitled for any payment on account of work done until he signs the agreement.
27. Nothing extra shall be paid for any lead and if unless otherwise specified for any material required directly or indirectly and the rates to be given in the tender shall include all leads in the contract schedule.
28. The Contractor shall be responsible for any /all losses of material, damage done to unfinished work as a result of floods and other acts of God. The Govt. will not be responsible for any compensation as a result of such damage or loss to the Contractor and the Contractor shall be liable to set right such damage at his own cost to the satisfaction of the Engineer-in-Charge.
29. The royalty, sales tax, cess and any other taxes, if any shall be paid by the contractor direct to the respective department in accordance with their rules and regulations in force from time to time without intervention of the Public Works Department.
30. Amount of work may be increased or decreased and any item committed and substituted in accordance with the requirement of the department and no claim on this amount shall be entertained. **The contractor will have to complete the whole building as per architectural plans.**
31. Contractor shall be responsible to provide to the entire satisfaction of the Engineer-in-Charge at his own expenses the following amenities for the labour employed by him.
  - (i) Suitable temporary huts accommodation.
  - (ii) Trench latrines, bathing enclosures platforms separately for men and women and their regular cleanliness.
  - (iii) Clean drinking water.

In the event of his failure to provide any or all of the amenities the same shall be provided by the Govt. and cost thereof shall be recovered from the contractor. Any dispute regarding above points shall be settled by the Engineer-in-Charge and his decision shall be final.

32. The contractor shall be responsible for housing, sanitation and medical treatment of laborers employed by him and shall abide by all the rules and regulations made by Govt. in this behalf from time to time.
33. For Contractor's labour regulations, fair wage clause, and rules for protection of health and sanitation arrangements for workers employed by the public works department or its contractor's reference be made to chapter 7,8 and 9 respectively.
34. The jurisdiction of the Court will be at Hisar.
35. Apprentice Act- The Contractor shall comply with the provisions of the Apprentice Act, 1961 and the rules and orders issued there-under from time to time. If the Contractor fails to do so his failure will be breach of the contract the Employer may at his discretion cancel the contract. The Contractor shall also be liable for any peculiar liability arising on account of any violation by him of the provision of the Act.
36. If during the execution of the work, the contractor will engage imported labour, he shall immediately inform the local health authorities entrusted.
37. Imported labour means Labour belonging to a state other than Haryana State.
38. All material left at site by the contractor for a period of more than one month after the completion of work shall become the property of the public works department and Contractor shall have no claim whatsoever for such material.
39. The Contractor shall maintain at site of work full details of specification of the work fixed by the Engineer-in-Charge and approved drawing of the work.
40. Nothing extra shall be paid to the Contractor for diversion of water in the channels stream if it becomes necessary for the execution and completion of the work.
41. The Contractor will not have any claim in case of delay by the Department for removal of tree or shifting, raising, removing of telegraph, telephone or electric lines (Over head or under ground) and other structure, if any, which comes in the way of the work.
42. The items rate should be quoted by the Contractor and no condition should be given. In case any condition is tendered this will be considered as null and void and only item rates quoted by the tenderer shall be accepted. In case any tenderer refuses to accept this his earnest money will be forfeited.
43. **Relation with Public Authorities:**

The Contractor shall comply with all legal orders and directions given from time to time by any local or public authorities and shall pay out of his own money the fees or charges to which he may be liable.

- 44(i) The contractor will be held strictly responsible to the true intent of the specification in regard to quality of materials, workmanship and the diligent execution of the contract.
- (ii) All materials and each part of detail of the work shall be subject at all times to inspection by the Engineer-in-Charge. Departmental Representative or other authorized subordinate who shall be furnished with reasonable facilities and assistance by the contractor for ascertaining whether or not the work as performed or the materials used are in accordance with the requirements and intent of the plans and specifications.
- (iii) The contractor shall furnish written information to the Engineer-in-Charge stating the original source of supply and dates of manufactures of all materials manufactured away from the actual site of work. The information shall be furnished at least two weeks (or such other period as may be directed by Engineer-in-Charge in advance of the incorporation of any such materials in the works.
- (iv) Any work done or materials used without supervision or inspection by the Engineer-in-Charge/Departmental Representative is liable to be ordered to be removed and replaced at the contractor's expenses.
- (v) If so directed the Contractor shall at any time before the acceptance of the work, remove or uncover such portion of the finished work as may be directed. After examination, the contractor shall restore the said portion of the work to the standards required as per specifications. The work shall not be considered to have been completed in accordance with the terms of the contract until the Engineer-in-Charge shall have certified in writing that it has been completed to his satisfaction. No approval of materials or workmanship or approval of part of the work during the progress of execution shall bind the Engineer in any way or effect his power to reject the work when alleged to be completed or to suspend the issue of his certificate of completion until such alterations or modifications or reconstructions have been affected as shall enable him to certify that the work has been completed to his satisfaction.
- (vi) The inspection of the work or materials shall not relieve the Contractor any of his obligation to fulfill the terms of the contract as herein prescribed by the plans and specifications.
- (vii) Failure to reject any defective work or material will not in any way prevent later rejection when such defect is discovered or obligate the department to make final acceptance.
45. Canvassing in connection with a tender in any form renders the tender liable to rejection.
46. If there are varying or conflicting provisions made in any documents forming part to the contract the accepting authority shall be the decision authority with regarded to the intension of the documents.
47. If, however, the contractor seeks to some assistance from the department in connection with arranging water/electric connection from the public utility service authorities for the purpose of Govt. work such assistance only to the extent of writing a letter from the Engineer-in-Charge to the authority concerned for giving such connection may be provided. All charges etc. shall be borne by the contractor.

48. The contractor may, on application of the contractor, issue essentiality certificate for Diesel/Petrol (if it becomes a controlled commodity) required for materials to be used on the work but the department will not undertake any responsibility for the arrangement of such Petrol/Diesel, Non availability of any such materials will not absolve the contractor of his contractual obligation.

### **MAINTAINENCE-CUM-DEFECT LIABILITY PERIOD**

49. The defect liability-cum-maintenance period shall be three years from the date of completion in case of original works. For maintenance and S/R works, defect liability period will be one year and re-painting /white wash/snowcem/distempering will not be required. The date of completion shall be considered as the date certified by the Engineer-In-Charge.
- 49.1 The Engineer shall give notice to the contractor of any defects before the end of the effects Liability-cum-Maintenance Period. The Defects Liability-cum-Maintenance period shall be extended for as long as defects remain to be corrected.
- 49.2 The Contractor shall correct the notified Defect / Defects within the length of time as specified by the Engineer's, notice.
- 49.3 The contractor will be fully responsible for the quality and workmanship of the works executed by him. The liability on account of shortcomings in executed items found by any investigating agency during the defect liability period or afterwards shall be born by the agency.
- 49.4 The Contractor shall do the routine maintenance of building to the required standards in the manners as per Haryana PWD specifications latest edition, DNIT, agreement conditions and keep the whole building in defect free condition during defect liability period as defined above.
- 49.5 The routine maintenance standards shall meet the following minimum requirements to the entire satisfaction of Engineer-in-charge.:-
- i) Plaster work and flooring work to be repaired soon after these appear or brought to his notice either during contractor's monthly inspection or by the Engineer or otherwise. Repair shall be carried out in a manner which does not affect the aesthetics.
  - ii) Defective joinery such as door, window, cup-board shutters, chowkhats, wire gauge, glass panes, fitting, fixtures etc. to be rectified / replaced immediately after the defects appear.
  - iii) Any structural damage / fault / defect to be rectified to the satisfaction of Engineer-In-Charge as soon as the same appears.
  - iv) Defective or incomplete/improper white washing / colour washing, distempering, painting etc. to be rectified immediately on notice by the Engineer-in-charge.
  - v) All rain water pipes, sun-shades and the like components to be inspected every fortnightly and cleaned as and when required.
  - vi) Leakage of water of any kind in the building to be set right immediately on priority.
  - vii) All electrical / Public Health installations including wiring, pipelines etc. made in the building to be repaired / rectified / replaced as soon as any defect has appeared / notice.
  - viii) The agency shall make good all the items / works damaged during the repair being done by him and bring the same in original form.
  - ix) Any other maintenance operation required to keep the building use worthy at all the time during the maintenance period.
  - x) He shall maintain a register in the building for daily recording the defects, damages, shortcomings noticed by user and address the problem within three days or else he will approach the Engineer-in-charge for extension of this time.

- xi) **Before the end of defect-cum-maintenance period is completed, painting, snowcem, white washing, distempering, Providing and fixing broken window panes, door /window fittings, Public Health fixtures, taps etc. of the whole building as per original work will be carried out by the contractor to the entire satisfaction of the Engineer-In-Charge and nothing extra will be paid.**
- 49.6 To fulfill the objectives laid down in above sub clauses, the Contractor shall undertake detailed inspection of the building at least once in a month. The Engineer-in-charge can reduce this frequency in case of emergency. The Contractor shall forward to the Engineer-in-charge the record of inspection and rectification every month. The contractor shall pay particular attention on the maintenance of building during rains and rainy season.
- 49.7 The Engineer may issue notice to the Contractor to carry out maintenance or remove defects, if any, notice in his inspection, or brought to his notice. The contractor shall remove the defects within the period specified in the notice and submit to the Engineer-in-charge a compliance report. By not giving notice, will not absolve the contractor from his responsibility.
- 49.8 In case the Contractor fails to make good the defects, the Executive Engineer may employ any other person to make good such defects and all expenses consequent and incidental there to shall be borne by the Contractor.
- 49.9 The contract shall not be considered as completed until a defect liability-cum-maintenance certificate has been signed by the Executive Engineer and delivered to the contractor stating that the works have been completed and maintained to his satisfaction. The defect liability-cum-maintenance certificate shall be issued after obtaining approval of the E.O.-cum-S.E.
50. Department shall not be responsible for any depreciation in the value of securities, not for any loss of interest thereon.
51. There will be double lock system for the cement store. One Key of the lock will be with the representative of the department and other key of the lock will be with the agency.
52. **If the agency does not fill/quote the rates of any items then it will be considered as NIL and same will be executed by the agency free of cost and it will be contingent to work. The agency will have to give an undertaking on account of above, otherwise earnest money will be forfeited; in addition, Engineer-in-Charge may also blacklist the agency.**
53. **A. FOR EXCESS CONSUMPTION OF MATERIALS FROM THE THEORETICAL CONSUMPTION**
- (i) Upto 5% (five percent) No action is called for (recovery shall be made on the issue rates).
- (ii) Above 5% (five percent), if actual consumption exceeds theoretical consumption by more than 5% (five percent) recovery shall be made for the excessive consumption of materials beyond initial five percent at panel rate (double rate) provided in the contract.
- (iii) The above conditions are for materials issued to the contractor by the University.
- (iv) No claim for excess consumption of material arranged by the contractor shall be entertained by the department.
- B. FOR SHORT CONSUMPTION OF CEMENT**
- (i) Upto 5%, the recovery of cost of material thus saved shall be made from the contractor at the base price as applicable on the date of tender or issue rate.
- (ii) Less consumption by more than 5% (i.e. above 5 %) the rates of items of work involved shall be reduced. If it is not possible to determine the exact items on which less material has been used, the cost of the material so saved shall be recovered from the contractor at double the issue rate. The Executive Engineer reserves the right to take any other deterrent action which he deems fit against the contractor. It shall be at the discretion of the department to determine whether the stability of the structure is affected adversely due to less consumption of materials and in case it is felt that it is likely to be so, the Executive Engineer-in-charge shall reject the work and the decision of Superintending Engineer in such matter shall be final.

54. No claim of any kind what-so-ever shall be entertained for any and all the losses or damages to the contractor due to the completion of the work getting delayed due to the failure or delay on the part of the public works department under the terms and conditions of the contract.
55. The contractor shall supply at his own cost and expenses all labour materials etc. for labour and checking of any portion of the work during construction. Whosoever required by the Engineer-in-Charge or his representative and nothing extra shall be paid for same.
56. **Occupation of Additional Lands:**  
In case, when it becomes necessary for due fulfillment of the contract for the contractor to occupy land outside the CCSHAU limits the contractor shall make his own arrangement with the land owners and pay such amount, as may be mutually agreed upon by them.
57. No claim by the contractor for additional payment will be allowed on the ground of any misunderstanding or misapprehension in respect of any such matter or otherwise on the ground of any allegation or fact that incorrect information was given to him by any person whether in the employ of the Govt. or not or of the failure on his part to obtain correct information nor shall the contractor be relieved from any risk or obligations imposed on or undertaken by him under the contract on any such ground or on the ground that he did not or could not fore-see any matter which may in fact, effect or have affected the execution of the work.
58. During the absence on work of the Engineer-in-Charge he shall be represented by one of his subordinate whose duties are to watch and supervise the works, to test and examine any materials to be used or workmanship employed to ensure that the works are performed in conformity with the plans, estimates and specifications in all respects and to keep Engineer-in-charge informed of the progress of the works and the manner in which they are done. The Engineer-in-charge may from time to time delegate any of the powers and authorities vested in him to the departmental representative in writing.
59. The Departmental representative shall have no authority to alter or waive the provisions of plans and estimates and specifications or to relieve the contractor or any of his duties or obligations under the contract. He shall however, have the authority to inform the contractor in writing to replace any materials considered defective and to suspend, to do, or rectify the work improperly performed or not according to plans and estimates or specifications in his judgment and the contractor shall comply.
60. Failure of the Departmental Representative to disapprove any work of materials shall not prejudice the power of the Engineer-in-Charge thereafter to disapprove such work or materials and to order the pulling down, removal or breaking up thereof. If the contractor shall be dissatisfied by reason of any decision of the Departmental representative, he shall be entitled to refer the matter to the Engineer-in-Charge, who shall thereupon confirm or reverse such a decision.
61. The contractor shall also inform the Engineer-in-Charge in writing when any portion is ready for inspection giving him sufficient notice to enable him to inspect the same without retarding the further progress of the work.
62. Unless otherwise provided in the contract document materials such as rubble, gravel sand, murrum, kankar earth, soil, etc. obtained from excavation and materials obtained by dismantling any existing structures shall remain the property of the Government.
63. Any tress branches, bushes, crops etc. which may be required to be cut during the execution of the work shall be handed over to the University or disposed of as directed.
64. The contractor will submit the design of temporary structure scaffolding to department in advance without any cost. The contractor will remain responsible for design and safety of scaffolding irrespective of approval by the Engineer-in Charge.
65. The contractor shall use canal water for construction of building or water from any other sources as approved by the Engineer-in-Charge. Water should be got tested at regular intervals i.e. maximum of 2 (two) months from the laboratory approved by the Engineer-in-Charge and no extra cost will be paid for the same. Water to be used shall meet latest IS standard as per IS 456/other relevant codes.

**CHAPTER-7**

  - (f) Wages actually paid for each wage period.
- (ii) The contractor shall also maintain a wage slip for each worker employed on the work.
- (iii) The authority competent to accept the contract may grant an exemption from the maintenance of Wages book and Wage Slips to a contractor who in his opinion may not directly or indirectly employ more than 100 persons in the work.

## **7. Fines and deductions which may be made from wages**

- (1) The wages of a worker shall be paid to him without any deduction of any kind except the following :
  - (a) Fines.
  - (b) Deductions for absence from duty i.e. from the place or places where by the terms of his employment he is required to work. The amount of deduction shall be in proportionate to the person for which he was absent.
  - (c) Deductions for damage to or loss of goods expressly entrusted to the employed person for custody or for loss of money for which he is required to account where such damage or loss is directly attributable to his neglect or default.
  - (d) Any other deductions which the PWD may from time to time allow.
- 2.) No fine shall be imposed on a worker and no deduction for damage or loss be made from his wages until the worker has been given an opportunity of showing cause against such fines or deductions.
- 3.) The total amount of fine which may be imposed in any one wage period on a worker shall not exceed an amount equal to 50 paise in a rupee of the wage payable to him in respect of that wage period.
- 4.) No fine imposed on any worker shall be recoverable from him by installments or after the expiry of 60 days from the date on which it was imposed.

## **8. Register of Fine etc.**

1. The contractor shall maintain a register of fine and of all deductions for damage or loss such Register shall maintain the reason for which fine was imposed or deduction for damage or loss was made.

2. The contractor shall maintain, a list in English and local Indian Language clearly defining acts and commissions for which penalty of fine can be imposed. He shall display such list and maintain it in a clean and legible condition in conspicuous places on the work.

#### **9. Preservation of Books**

The wage book, the wage slips and the Register of lines, deductions required be maintained under these regulations shall be preserved for 12 months after the date of last entry made in them.

#### **10. Power of Labour Welfare Officer to make Investigation of Enquiry**

The Labour Welfare Officer or any person authorized by the Government on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of the wage clause and provisions of their regulations. He shall investigate into any complaint regarding the default made by the Contractor or sub-Contractor in regard to such provisions.

#### **11. Report of Labour Welfare Officer**

The Labour Welfare Officer or any other person authorized aforesaid shall submit a report of the result of his investigations enquiry to the Executive Engineer concerned indicating the extent, if any, to which the default has been committed and the amount of fine recoverable in respect of the acts or commission and omission of the labourer with a note that necessary deduction from contractor's will be made and the wages and other dues be paid to the labourers concerned.

#### **12. Appeal against the decision of Labour Welfare Officers**

Any person aggrieved by the decision and recommendation of the Labour Welfare Officer or other person so authorized may appeal against decision to the Labour Commissioner but subject to such appeal the decision of the officer shall be final and binding upon the Contractor.

- 12A- No party shall be allowed to be represented by a lawyer during any investigation, enquiry appeal or any other proceedings under these regulations.

#### **13. Inspection of Register**

The contractor shall allow inspection of the Wage Book. Wage Slips to any of his workers or to his agent at a convenient time and place after due notice is received, or to the Labour Welfare Officer or any other person authorized by the Haryana Government in his behalf.

#### **14. Submission of Returns**

The contractor shall submit periodical as may be specified from time to time.

#### **15. Amendment**

The Haryana Government may, from time to time and to amend these regulations, the decision of the Labour Commissioner, Haryana Government or any other person authorized by the Haryana Government in that behalf shall be final.

Executive Engineer,  
CCSHAU, Hisar.  
Phone : 01662-255226

**CHAPTER-8**  
**III-FAIR WAGES CLAUSES**

**FAIR WAGE CLAUSES**

- (a) The Contractor shall pay not less than the fair wage to labourers engaged by him on the work.
